Strategic Guide:

Public Safety

Background:

Each year Alachua County authorizes several Non-ad Valorem assessments to be collected for various solid waste management functions. The timelines established by the State require that the BOCC certify a Non-ad Valorem Assessment Roll by September 25. Changes to the assessment roll continue from the time that Non-ad Valorem Assessment Roll is prepared for the BOCC meeting and the end of the Fiscal Year. To account for those changes, a Revised Non-ad Valorem Assessment Roll must be certified by the BOCC and delivered to the Tax Collector and Property Appraiser.
