**Background:**

Annually, Alachua County receives State funding in support of affordable housing. Funds are distributed to counties by the Florida Housing Finance Corporation when funded by the State Legislature. State Housing Initiatives Partnership (SHIP) funds are used to provide assistance to very low and low-income households in the form of Down Payment Assistance, Owner Occupied Rehabilitation, and Rental Assistance. As part of the process, the County prepares a plan and provides a certification supporting that the Annual Report is accurate and complete.
