Background:

This subgrant is part of the Florida Department of Law Enforcement (FDLE) 2022 Justice Assistance Grant (JAG) Countywide grant. The grant is awarded to the Board of County Commissioners (BoCC) and it requires the County to follow a process that complies with 11D-9.005(a) F.A.C. to apply. To comply, the BoCC created the Byrne Grant Advisory Board to review proposals and provide funding recommendations to the BoCC. Subsequent to the BoCC approving the projects, FDLE is notified via the “51% letter”, and each entity with an approved project applies separately to FDLE. The Sheriff’s Office coordinated the Byrne Advisory Board process with the Clerk of Court, who sits as the Chair of the Byrne Advisory Board on August 16, 2023. University of Florida Police Department applied for this subgrant through the Byrne Grant Advisory Board process.
