I am writing to request funding for two (2) items. 1. upgrading our existing fire alarm system. Our proposed upgrade includes the installation of carbon monoxide detectors and a sprinkler system. The specifications for this upgrade mandate a hardwired system installed by professionals. 2 Fund the cost of the fee for website hosting services,

16. Please describe how your project will build capacity, enhance effectiveness and/or efficiency of your agency's service delivery*

Maximum response length: 2500 characters

Lee's Preschool Center facility is located in the City of Alachua. We currently serve youth ages 5 - afterschoolers up to age 12. We provide subsidized childcare for families whose income meets federal poverty guidelines. We currently do not have a website. We need public exposure of our subsidized services and inform parents they have options other than full-cost for profit businesses such as O2b Kids and Okito that offers similar childcare services.

Our primary request is to improve Safety at the facility. The safety enhancements will build our capacity to service families by upgrading the fire system. It will significantly reduce the risk of fire-related incidents and protect the lives of our community's children and staff. We are committed to ensuring the highest standards of safety, and this grant would greatly support our efforts.

17. Describe measurable outcomes for the project.*

Pass Fail

Maximum response length: 2500 characters

Staff Response Time Reduction:

Measure the time it takes for the system to detect a fire or carbon monoxide (CO) event and activate alarms.

A shorter response time improves evacuation and emergency response.

Compliance with Codes and Standards:

The system will meet relevant fire safety codes and standards (e.g., NFPA 72, local regulations).

Compliance ensures legal requirements are met.
