**Strategic Guide:**

All Other Mandatory and Discretionary Services

**Background:**

Alachua County Fire Rescue purchases and utilizes Stryker stretchers on all rescue units. The stretchers and power load systems require annual preventative maintenance and repairs to ensure all are in working order. The annual cost for the preventative maintenance is \$62,289.48.

This purchase is exempt from the County's competitive bidding requirements pursuant to Section 22.3-302 (27) of the Alachua County Procurement Code, Single Source procurements in accordance with the Procurement Procedures Manual; however, since the dollar amount of the purchase exceeds the purchasing authority of the Procurement Manager, this is being submitted for Board consideration and approval.
