Collectively, County and University shall be referred to herein as the “Parties”.

WITNESSETH

WHEREAS, County desires to employ University to provide services for landfill and solid waste related research services. This Agreement is intended to replace and expand upon a previous agreement between the parties dated November, 28, 2011 and subsequently amended with a First Amendment dated November 13, 2012, a Second Amendment dated September 11, 2013, a Third Amendment dated October 20, 2014, a Fourth Amendment dated October 4, 2015, a Fifth Amendment dated December 2, 2016, a Sixth Amendment dated March 13, 2018, and a Seventh Amendment dated February 26, 2019; and

WHEREAS, University represents and warrants that it is qualified to provide these services; and

WHEREAS, and the Parties are authorized by §163.01, Florida Statutes, to enter into interlocal agreements to cooperatively and efficiently use their powers to provide public services that will advance the general health, safety, and welfare of the citizens of Alachua County.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which is acknowledged by the Parties, and pursuant to Section 163.01, Florida Statutes, the Florida Interlocal Cooperation Act of 1969, the Parties hereby agree as follows:

Term. The effective date of this Agreement shall be the date of the last signatory to it and upon the filing of it with the Clerk of the Circuit Court of Alachua County, Florida as required by Section 163.01 (11), Florida Statutes (“Effective Date”). The Parties hereto understand that this Agreement is not a commitment of future appropriations. Therefore, the continuation of this Agreement beyond the end of any fiscal year shall be subject to both the appropriation and the availability of funds in accordance with Chapter 129, Florida Statutes, and that the failure of the Board to do so shall not constitute a breach or default of this Agreement.
