Background:

As part of the County's Art in Public Places resolution, 1%, not to exceed \$100,000, is earmarked for public art for certain renovation and new capital construction projects. Twenty-two submittals were ranked by the evaluation team, consisting of Arts Council members and Fire Rescue staff. The top four were paid \$150 each for their project specific sketch. The Board is to choose from these four artists. Two of the artists provided additional renderings and information which is attached.
