VI. Consent Item B

Metropolitan Transportation Planning Organization For the Gainesville and Alachua County Area

February 26, 2025

MEETING MEMORANDUM

To: Metropolitan Transportation
Planning Organization Board

From: Brad Thoburn

Subject: **Unified Planning Work Program Update**

RECOMMENDATION

It is recommended that the Metropolitan Transportation Planning Organization adopt the updated Unified Planning Work Program.

BACKGROUND

The Metropolitan Transportation Planning Organization is required to develop a Unified Planning Work Program (UPWP) budget and planning document each year. The UPWP lists all of the planning projects, technical assistance, and other activities that the Metropolitan Transportation Planning Organization for the Gainesville and Alachua County Area will undertake.

The current year's Planning Agreement needs to be updated to include a new vendor ID/remittance address to replace the existing agreement between FDOT and the North Central Florida Regional Planning Council with the Metropolitan Transportation Planning Organization. This amendment triggers a revision to the UPWP to include a new cover page and replace URL links that referenced the North Central Florida Regional Planning Council.

The UPWP revision form is attached, as well as the revised cover page for the UPWP and three pages that referenced NCFRPC's URL links that were replaced in the UPWP document.

D. State/Metropolitan Planning Organization Certification- Summary Report Required in the Unified Planning Work Program

Appendix H contains certification materials, including a summary report by the Florida Department of Transportation of the findings and noteworthy practices of the Metropolitan Transportation Planning Organization for the Gainesville Urbanized Area. Appendix H also includes Resolution 2024-03 that provides for the approval of this Unified Planning Work Program and enables Metropolitan Transportation Planning Organization for the Gainesville Urbanized Area to receive federal planning funds.

E. Ten Federal Metropolitan Planning Factors Relationship to Unified Planning Work Program Tasks

The work tasks included in this document are assessed as to their relationship to meeting the ten federal metropolitan planning factors. These areas are required to be considered as part of the metropolitan planning process by 23 United States Code 134(f)(1). The ten federal metropolitan planning factors are listed and a metropolitan planning area-Unified Planning Work Program work task matrix is provided in Appendix F.

F. Resiliency in the Transportation Planning Process

The Fixing America's Surface Transportation Act introduced resiliency into the transportation planning process for the development of long-range transportation planning, transportation improvement programming and project prioritization. The 2021 state planning emphasis areas expands application/implementation of resiliency to all planning documents, including the Unified Planning Work Program.

Resiliency was addressed in the development of the Year 2045 Long-Range Transportation Plan.

Resiliency strategies include the Metropolitan Transportation Planning Organization for the Gainesville Urbanized Area:

- Coordinating with the Florida Department of Transportation, Alachua County, City of Gainesville and University of Florida to address resiliency in its transportation planning process; and
- Participating in resiliency training provided by the Federal Highway Administration and Florida Department of Transportation.
