This project aims to address the pressing issue of gun violence and its underlying risk factors among youth. By leveraging the transformative power of drama, the arts, and youth-centered workshops, we will create a safe, engaging space for young people to express themselves, build resilience, and develop conflict-resolution skills. The initiative will foster a sense of community, self-worth, and nonviolent communication, reducing the likelihood of gun-related behaviors and victimization.

Gun violence is a leading cause of death and trauma among youth in the United States. In 2022, 2,526 children and teens ages 1–17 died as a result of gun violence, averaging nearly 7 deaths per day. Gun homicides: Black male teens and young adults ages 15–34 accounted for 34% of all gun homicides in 2022. ...

#### 15. Describe measurable outcomes for the project\*

Pass  Fail

Maximum response length: 2500 characters

**The ARTillery for Peace: Creating Change Through the Arts** program aims to measurably reduce gun violence in communities by leveraging the transformative power of the arts. This initiative provides a creative platform for youth, families, and community members to engage in meaningful dialogue, develop conflict resolution skills, and foster a sense of unity and purpose. The tools to measure effectiveness will be pre and post-surveys that can help capture growth percentages from inception and culmination of the program.

#### Measurable Outcomes:

##### 1. Reduction in Gun-Related Incidents

Through consistent engagement with at-risk populations, the program seeks to help reduce reported gun-related incidents within participating neighborhoods over 12 months. This will be measured through local law ...
