BoCC Motion/Discussion

December 10, 2024: To discuss community centers in a broad conversation as several of them are struggling in the current economy.

Community Resource Center Definition

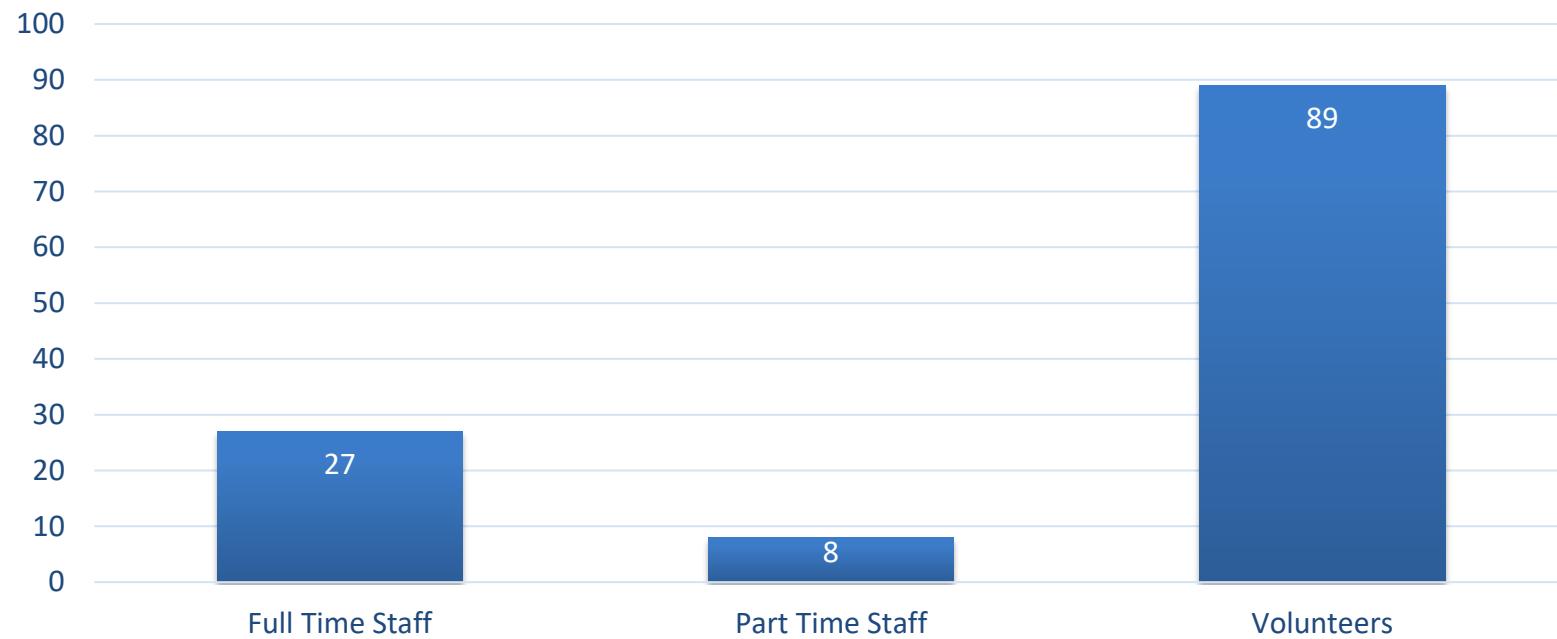

A public location where members of a community gather for group activities, social support, public information, and other purposes. They may be open for the whole community or for a specialized subgroup within the greater community. Community centers can be religious in nature, such as Christian churches, Islamic mosques, Jewish synagogues, Hindu temples, or Buddhist temples; though they can also be secular and in some cases government-run, such as youth clubs or senior centers.
