056.71.7190.331.2000, Project # 2712501 Intergovernmental Revenues Public Safety

056.71.7190.586.91.92, Project # 2712501 Operating Transfers Out To Constitutional Officers

Strategic Guide:

Public Safety

Background:

The Byrne Countywide subgrant is distributed through FDLE from the State of Florida's Byrne Grant allocation. The grant is awarded to the Board of County Commissioners, which then approves subgrants to other entities in the County, following a process that complies with 11D-9.005 Florida Administrative Code. This award is from the Sheriff's Office application for funding from the fiscal year 2023 funding cycle for chainsaws, a power pole, shot guns, Sim Guns, a tactical launcher, E-collar system for K9's, saddlebag guards, communications headset, and tripods; all for different Special Teams units spread throughout the Alachua County Sheriff's office
