Apologies TJ, I thought I sent it out. It looks like it got hung up in my outbox. City of Tallahassee approves Alachua County using the contract.

Thanks,

Christan,  
Great talking to you this week, wanted to follow up to get that approval email to use your contract.  
Thanks, I know I got approval over the phone, but like to have the back-up.

Thanks,

Good afternoon.

There's the issue as a conflict in the solicitation versus the contract, NP.

Thank you for reaching out/including the City because Legal is going to require this support; even if, it's for this one time.

Take care. d.

Daryl,

I attached a copy of the contract, page two bullet 3, covers the ability of other entities to utilize the contract. I have also copied Christian DeRocco with The City of Tallahassee procurement so that they may record the fact that Alachua County is going to be piggybacking their bid.

Thank you everyone!

Sincerely,  
Chris Wilson
