Hi,

My name is Monique Taylor, and I am a Waldo City Council Member as well as a Florida native born in Waldo. I believe I have a strong understanding of the needs in the rural areas of Alachua County. Having lived in South Florida, particularly in Fort Lauderdale, I have witnessed the impact of growth when road infrastructure is not properly managed. Rural roads are often rough, and drainage is inadequate. Many of these county roads in rural areas are dangerous due to potholes. I'm excited about the opportunity to bring a rural perspective to the Board!

Thank you for your consideration.

Sincerely,
Council Member Monique Taylor

Received, thanks Kim.

If you can get a brief "Statement of Interest" from Ms. Taylor, that would be helpful.

Here are a few prompts (not required, but may be helpful):

- Why are you interested in serving on the Board of the Metropolitan Transportation Planning Organization for the Gainesville Urbanized Area (MTPO)?
- What are the most pressing transportation issues facing Alachua County? And the County's rural

municipalities?

- What would you bring to the Board?

If providing a Statement of Interest, please do so by COB tomorrow.

Thank you!

Alison

Good morning, Manager Worley –

Just a friendly reminder that **today (3/11) is the deadline** for your Rural Elected Officials to indicate their interest in serving on the Board of the Metropolitan Transportation Planning Organization for the Gainesville Urbanized Area (MTPO).

If interested, please express interest by email to me (Transportation Planning Manager, Alison Moss) at amoss@alachuacounty.us today, Tuesday, March 11, 2025. Should we receive interest from multiple Rural Elected Officials, a brief Statement of Interest will be requested for our Board's consideration at an upcoming Board of County Commissioners meeting.

Thank you, in advance, for your interest in this important Countywide planning organization.

Sincerely,
