Kristina,

Per my conversation with OMB last week, PO 2023-1422 has been approved to proceed with the adjustment of the attached quote. Originally, this PO was for two 2023 F550's at \$165,750.89.

Since the needs of the department have changed and the Vendor was unable to retain the vehicles, they are requesting two F350's at \$126,427.14.

Please let me know if you have any questions. Thank you!
