Strategic Guide:

Infrastructure

Background:

Alachua County Public Works is seeking a qualified contractor to perform guardrail repairs across multiple roadways, addressing damages caused by recent hurricanes. This project aims to restore safety and structural integrity to the impacted areas by ensuring all guardrail installations and replacements adhere to the Florida Department of Transportation (FDOT) safety standards.

The selected contractor must be FDOT-qualified and capable of executing repairs in accordance with state specifications. Work will be conducted across various locations throughout the county, with a focus on ensuring compliance with current safety guidelines and durability requirements.

BID 25-536-LC Guard Rail Repair and Replacement Services due to Hurricane Damage was released March 5, 2025. The deadline for receipt of BID 25-536-LC Guard Rail Repair and Replacement Services due to Hurricane Damage was April 2, 2025; two (2) vendors responded.
