

Agenda Item Summary

File #: 25-00431

Agenda Date: 6/5/2025

Agenda Item Name:

Canoe Outpost Discussion

Presenter:

Gina Peebles – Assistant County Manager – Chief of Staff

Description:

The County has set aside \$333,333 of its surtax revenue for Municipal Partnership Program grant award to the City of High Springs for both infrastructure and Wild Spaces Public Places eligible projects. The City wishes to apply for the County to jointly own the Canoe Outpost, with the County contributing \$333,333 for both acquisition and future capital improvements. The Municipal Partnership Program enacted under Ordinance 2022-08 requires municipal applicants to submit an application for surtax grant funding to the County for consideration by the Board. As of the date of this agenda item, the City has not submitted an application for surtax grant funding, so this agenda item is for discussion only and staff recommends that no action be taken by the Board until an application is submitted by the City and considered by the Board at a subsequent public meeting.
