Background:

This amendment is to correct the equipment quantities to add two (2) additional monitors to be serviced by the Extended Warranty and Preventative Maintenance Program for Defibrillators and Monitors.

The X Series is a full-featured monitor/defibrillator designed to be used with patients of all ages, its advanced monitoring and defibrillation capabilities extend to children and neonates. CPR Dashboard, SA02 functions and wireless data transfer to hospitals. Preventative maintenance on our current equipment provides enhanced safety for citizens along with cost savings by reducing downtime and increasing the medical unit's lifespan.

Zoll Medical is the sole manufacturer and source of X Series and X Series Advanced Defibrillators for the EMS Market. Zoll service, repairs and upgrades for the X-Series model defibrillators are only available through Zoll Medical.

This purchase is exempt from the County's competitive bidding requirements pursuant to Section 22.3-302 (28) of the Alachua County Procurement Code, Sole Source procurements in accordance with the Procurement Procedures Manual; however, since the dollar amount of the purchase exceeds the purchasing authority of the Procurement Manager, this is being submitted for Board consideration and approval
