### Background:

At various times County Departments have a need to employee temporary personnel services due to

fluctuation of workloads and employee turnover.

Procurement solicited proposals from vendors that provide temporary personnel services through Request for Proposal (RFP) 22-21.

RFP 22- 21 resulted in Contract #12029, approved by the Board on August 24, 2021, with a term from October 1, 2021 through September 30, 2022 and a clause that allows for two additional 2-year periods, if agreed upon by both the vendor and the County. The vendor, Career Center, Inc. doing business as Temp Force, recently advised the County of a new naming for the business entity- now to be known as Spherion. This First Amendment clarifies the naming change and updates existing paragraphs of the Agreement.
