Background:

The purchase of this cloud-based Security Information and Event Management (SIEM) system will centralize monitoring, detection, and real-time response to cybersecurity threats, strengthening Alachua County's cybersecurity posture.

This purchase is exempt from the County's competitive bidding requirements pursuant to Section 22.3-302(22) of the Alachua County Procurement Code, Software packages for computers approved by the County's Information and Telecommunications Services Department. However, since the dollar amount of the purchase exceeds the purchasing authority of the Procurement Manager, this is being submitted for Board consideration and approval.
