**Strategic Guide:**

All Other Mandatory and Discretionary Services

**Background:**

Several components of the County's central storage infrastructure are scheduled for replacement due to the conclusion of manufacturer support. This storage system is a vital element of the County's network architecture, providing file and database services to all Board of County Commissioners (BOCC) departments.

This purchase is exempt from the County's competitive bidding requirements pursuant to Section 22.3-302 (13) of the Alachua County Procurement Code, Procurement of Supplies or Services under Contract with cooperatives, including cooperatives that the County participates in accordance with Article 10, Section 22.10-201 (Cooperative Purchasing Authorized), providing the vendor extends the

same terms and conditions of the Contract to the County; however, since the dollar amount of the purchase exceeds the purchasing authority of the Procurement Manager, this is being submitted for Board consideration and approval.
