Please list any civic and professional accomplishments/honors, training or experience related to this appointment::

I am currently part of the leadership team at the UF Shands Operating Room, and during college, I served on the Gator Band leadership board. My experience working with both organizations has taught me the value of communication and collaboration. I also bring personal passion for biking and the outdoors. Every Saturday, I join a local biking group that rides primarily on the Hawthorne Trail, as well as other areas around Gainesville. In 2022, I was struck by a vehicle while riding on the Hawthorne Trail pedestrian crosswalk on Williston Road. That experience further deepened my commitment to pedestrian safety.
