Background:

On January 9, 2024, the Board of County Commissioners adopted Resolution 2024-02 because the member seat for a Mental Health Professional was vacant since the establishment of the Committee. It was replaced with a Certified Veterinary Technician or a Graduate of an AVMA-Accredited Veterinary Technology Program, which has also never been filled due to lack of interest.

If approved, the Resolution presented would: (1) re-establish the Animal Welfare Advisory Committee; and (2) replace Certified Veterinary Technician or a Graduate of an AVMA-Accredited Veterinary Technology Program with a Veterinary Professional.
