**Strategic Guide:**

Social and Economic Opportunity

**Background:**

Unspent Administration Funding and Bid Pool Funding held by the County at the end of a County's fiscal year (Oct 1 - September 30) will remain funding of the County. GSC is not entitled to a carryover to a subsequent fiscal year if any funds are unspent during a given fiscal year. However, the GSC may submit a written request (which must include a written plan for usage and be received by the County Manager's Office prior to August 1) to the Alachua County Board of County Commissioners ("Board"). The Board will consider, on a case-by-case basis, the request and will decide whether unspent Bid Pool Funding at the end of the County's fiscal year may be carried forwarded or not.
