

FY26 Budget Highlights for Alachua County

Tommy Crosby & Maureen Rischitelli OMB

Property Tax Data

2024 County Millage Rate (FY25) rank in 67 counties

- 51nd in aggregate millage at 9.0768 mills
- 41st in General Fund millage at 7.6180 mills

* Aggregate includes all millages within BoCC authority, both County-wide and less than County-wide. The State adjust the millage comparison on the less than County-wide for the entire County-wide taxable value which reduces the millage comparison for MSTU.

Where Nature and Culture Meet

Property Tax Data

- Impact of Assessed Value vs. Taxable Value on Alachua County
 - Assessed Value \$37.5 Billion
 - Taxable Value (67.36%) \$25.3 Billion
 - State Average of 84% would generate \$6.2B more in Taxable Value
 - Millage could be 6.1045 instead of 7.600 to generate the same revenue in General Fund property taxes
 - Payment in Lieu of Taxes could be a partial solution.
