Background:

A global settlement conference occurred on 8/26/25 to address the claims of Clayton Campbell, Denise Campbell and Yalonni Johnson-Smith related to a motor vehicle accident that occurred on 11/27/24 involving an Alachua County Public Works vehicle. Settlement agreements were reached at that global settlement conference with each of the three claimants. In order to finalize the matter, the Board must approve the settlements. Based on an investigation of the accident, liability, and claims brought by Clayton Campbell, Denise Campbell, and Yalonni Johnson-Smith, it is the recommendation of the County Attorney that the Board approve these settlements.
