Good afternoon.

I am the Fiscal Assistant for Alachua County Parks. Trying to get this in for the start of the FY26, but the quote does not match what I would need time-wise. As the quote was on 8/29/25, and the expected date for the PO is sometime in October, I would need to either have the quote adjusted to specify that the 30 day validity is null or a response to the email stating that the attached quote 77533 will be valid (which should be fine).

Please see if either option can be provided and I'll work on securing the PO for the quote as soon as possible.

Thank you.

Were you able to get an FY26 POR started for this one? I'm sure it'll need to be scheduled for Board approval (consent) as well. Thanks!

Hi Anthony,

We need POR (FY26) for Bliss Products for **\$55,427.40** for the second portion of amenity replacement at Veterans Park please. Again, this should be a piggyback off their continuing services contract with St. Johns County. Pricing & associated discounts are consistent therewith.

Funding for this should come from our annual (FY26) \$100K budgeted for Parks Amenity Replacement (FY25 Budget Proposal #5).

Please let me know if you need additional information or have further questions.

Thanks,

Ed Williams, ADAC, CPSI
