**Background:**

The LAP agreement with FDOT for Project Development & Environment Study (design) of State Road 24 (Archer Road) 4 Lane Widening from Tower Road west of Gainesville to SW 122<sup>nd</sup> has already been awarded and approved. This project proposes completing design of approximately 3.84 miles. The design can then be used to support applications for federal grants, or the Department's normal work program process.

The resolution and budget amendment properly accounts for this grant in a Special Revenue Fund, Other Grants Fund (190). The grant award for design is \$2,250,000.00
