- c. Contractor is familiar with the Services and the conditions of the site, location, project, and specifics of the Services to be provided, designed or constructed.
- d. Contractor will coordinate, cooperate, and work with any other contractors, professionals, and consultants retained by the County. 5. **Payment.**

- a. The County will pay Contractor for timely and completed Services as described in this Agreement. The Parties agree that the amount to be paid to Contractor for the Services shall be \$89,900.00 ("Contract Amount"). Payment will be in accordance with the Compensation section of **Exhibit 1**.

- e. The County's performance and obligation to pay under this Agreement is contingent upon a specific annual appropriation by the Alachua County Board of County Commissioners ("Board"). The Parties hereto understand that this Agreement is not a commitment of future appropriations. Continuation of this Agreement beyond the term or the end of any County fiscal year shall be subject to both the appropriation and the availability of funds in accordance with Chapter 129, Florida Statutes; and that the failure of the Board to do so shall not constitute a breach or default of this Agreement.
 - f. The County's review of the deliverables in no way diminishes the Contractor's representations pertaining to the deliverables.
 9. **Permits**. Contractor will obtain and pay for all necessary permits, permit application fees, licenses or any fees required for performing the Services.
 10. **Alachua County Minimum Wage**. The Services to be performed pursuant to this Agreement are 'Covered Services', as defined under the Alachua County Government Minimum Wage Ordinance ("Wage Ordinance").
