056.71.7190.529.81.04, Project #JAGJG186UFPD - FDLE JAG Grant JG186 UFPD (Aid to Government Agencies UF Police Department)

Strategic Guide:

Public Safety

Background:

The University of Florida Police Department has applied for and been awarded a Byrne Grant for a rapid ID fingerprint scanner and speed radar. The Sheriff's Office generally applies for and administers these grants. In this instance, the UFPD applied for the grant independently. As the funds are passed through the County, this agenda item will allow staff to disburse the grant funds to UFPD.
