Background:

All schools are mandated by the Fire Prevention Code to have annual inspections of all facilities and properties. Currently, the School Board of Alachua County (SBAC) is without a Fire Prevention Officer and requested to enter into an agreement with the County to provide these services. The interlocal agreement is for six months and expires on January 3, 2026. The First Amendment extends the interlocal for an additional six (6) months until July 3, 2026.
