Hereafter, the County and SBAC are collectively referred to as the **Parties**.

WITNESSETH:

WHEREAS, Section §163.01, Florida Statutes, known as the Florida Interlocal Cooperation Act of 1969, authorizes local government entities, including cities and counties, to enter into agreements to cooperatively and efficiently use their powers to provide public services that will advance the general health, safety and welfare of their citizens; and

WHEREAS, the County, through Alachua County Fire and Rescue (ACFR), provides Fire Prevention and Inspection Services throughout Alachua County; and

WHEREAS, the School Board of Alachua County (SBAC) is the governing body of the public school system in Alachua County and is responsible for the maintenance and safety of the buildings it owns; and

WHEREAS, SBAC is required to comply with the Florida Life Safety Code but does not currently have the ability to conduct fire inspections on their own; and

WHEREAS, the SBAC wishes to contract with Alachua County to provide fire inspection services on their own; and

WHEREAS, Alachua County is willing to provide fire inspections until SBAC is able to conduct the inspections on its own; and

NOW THEREFORE, in consideration of the foregoing recitals, which are incorporated into and made a part of this Interlocal Agreement, and the mutual agreements and covenants herein contained, the Parties agree as follows:

1. **Term:** After execution by the Parties, this Interlocal Agreement shall commence and become effective upon filing as provided in Section 16, below, and continue until terminated as contained herein or superseded by another Interlocal Agreement. However the maximum term of this agreement shall be for six months from the date of recording.

2. **Purpose and Limitation of Obligation:** The purpose of this Interlocal Agreement is to:

- 2.1. Provide fire inspections as required by law and make associated recommendations.
- 2.2. Provide such expertise in remediation of any conditions as may be called for as a result of the inspections, but only those within the competency of the Fire Marshal or his inspectors.

3.1.1 ACFR will work with SBAC in communicating the status of the inspections with the Division of the State Fire Marshal addressing any gap in inspections that may exist.

3.1.2 Coordinate inspections with SBAC so that there is as little interruption to its operations as necessary.

3.2. SBAC: Agrees to provide such access to ACFR as necessary for the Fire Marshal or inspectors to perform their obligation under this interlocal and the law.

3.2.1 Assign staff to meet with personnel of ACFR as necessary.

3.2.2 The initial estimate of the cost to provide services is not to exceed \$49,000 with any additional charges being submitted to the SBAC for approval.
