Agenda Item Name:

First Amendment to GRUCom Co-Location Agreement for Additional Power Circuits at the Millhopper Tower

Presenter:

Harold Theus, Fire Chief 352-384-3101

Description:

First Amendment to the GRUCom agreement for additional power circuits at the Millhopper Tower site to support the implementation of a virtual radio system prime site.

Recommended Action:

Approve the First Amendment to the GRUCom Co-Location agreement Millhopper Tower

Prior Board Motions:

On December 12, 2023, the Board approved the final purchase of the Trunked Radio System Item #23-00794

Fiscal Note:

There are sufficient funds within the Trunked Radio System budget to cover the one-time installation amount of \$1,465.00 (072.54.5425.529.52.00 Operating Equipment) and a monthly increase of \$360.00 per month/\$4,320.00 annually (072.54.5425.529.44.00 Rentals and Leases).

Strategic Guide:

Public Safety

Background:

The County is enhancing the countywide public safety radio system to increase system resiliency.

The Millhopper Tower requires the installation of two (2) additional power circuits to support new radio system equipment. The associated costs include a one-time installation fee of \$1,465.00 and an increase to the monthly rent of \$360.00 per month/\$4,320.00 annually. The First Amendment to the Agreement with GRUCom will provide these additional services.
