Background:

On June 9, 2020, Alachua County and HCA North Florida Regional Medical Center (NFRMC) entered into an agreement for medical transportation services from two defined locations to their main campus (item# 20-0448). The agreement provided both entities a framework for transportation services provided by Alachua County Fire Rescue, and requirements for prompt payment and transport fees at fair market value.

On October 10, 2022, the Board approved the agreement between Alachua County and North Florida Regional Medical Center (item# 22-0823).

Effective May 1, 2023, both Alachua County and NFRMC agreed to a mutual termination of the agreement. Alachua County Fire Rescue will continue to provide medical transportation services as

needed at the Board adopted fee schedule rate. Staff does not anticipate an impact on transport revenues.
