6. Acceptance by the vendor of this order includes acceptance of all items, conditions, prices, delivery instructions and specifications as shown on the order or attached to or referred to, and which are made a part hereof by reference, as fully and

to the same extent as if copied at length herein. In the event of a conflict or discrepancy between this purchase order and any referenced contract document, if one exists, the contract document shall govern. The vendor may not unilaterally modify the terms of this purchase order by affixing additional terms to product upon delivery (e.g., attachment or inclusion of standard preprinted forms, product literature, "shrink wrap" terms accompanying or affixed to a product, whether written or electronic) or by incorporating such terms onto the vendor's order or fiscal forms or other documents forwarded by the vendor for payment. All stated delivery times are of the essence.

9. In accordance with law, the County reserves the right to cancel all or part of this purchase order prior to acceptance of the goods or services.

10. Vendors are expected to satisfy all purchase orders in one shipment unless otherwise stipulated in the subject solicitation, award, or authorized by the Director of Procurement in writing. Excessive and unauthorized partial shipments may result in vendor debarment or prohibition from doing business with the County.

11. Vendors are not authorized to deliver any goods or services which are not covered by this purchase order. The County accepts no responsibility and is not obligated to render payment for purchases that are not covered by a duly- issued purchase order or specifically authorized by the Director of Procurement or County Administrator. Vendors violating this condition may be subject to debarment or prohibition from doing business with the County in accordance with the County's Procurement Policies and such vendors may forfeit their right to compensation for such deliveries.

13. INDEMNIFICATION (GENERAL LIABILITY): The vendor shall indemnify, hold harmless, and defend the County and the Board of County Commissioners, their agents and employees, and anyone directly or indirectly employed by either of them, from and against any and all liabilities, losses, claims, damages, demands, expenses or actions, either at law or in equity, including court costs and attorneys' fees, that may hereafter at any time be made or brought by anyone on account of personal injury, property damage, loss of monies, or other loss, allegedly caused or incurred, in whole or in part, as a result of any negligent, wrongful, or intentional act or omission, or based on any action of fraud or defalcation by the vendor, or anyone performing any act required of vendor in connection with performance of the Contract awarded pursuant to this order. These obligations shall survive acceptance of any goods and/or services and payment therefore by the County.

14. INDEMNIFICATION (GENERAL LIABILITY □ GOVERNMENTAL AGENCY-VENDORS ONLY): The County and governmental agency-vendor shall each be liable to the extent permitted by 768.28, Fla. Stat., for the negligent acts, or omissions of their respective officers, employees and agents. Nothing in the foregoing shall be construed as a waiver of sovereign immunity or as consent to be sued by either the County or the governmental agency-vendor.

15. Any dispute or contractual right regarding this purchase order shall be governed by Florida Law. In the event of a lawsuit by the vendor the venue of such lawsuit shall be in Hillsborough County, Florida and the vendor waives whatever rights it has in the selection of venue.

16. LAWS, REGULATIONS, PERMITS & LICENSES: The vendor is advised that all applicable Federal and State laws, municipal and County ordinances, and the rules and regulations of all authorities having jurisdiction over any part of the

18. The vendor shall keep adequate records and supporting documentation applicable to this contractual matter. Said records and documentation will be retained by the vendor for a minimum of six (6) years from the date of termination of this Contract. The County and its authorized agents shall have the right to audit, inspect and copy all such records and documentation as often as the County deems necessary during the period of this contract and during the period of six (6) years thereafter. This six (6) year time period will be extended until audit findings are issued if an audit is initiated during the six (6) year period. Upon rejection notification, the risk of loss of rejected or non-conforming product shall remain with the vendor. Rejected product not removed by the vendor within ten (10) days shall be deemed abandoned by the vendor, and the County shall have the right to dispose of it as its own property. The vendor shall reimburse the County for costs and expenses incurred in storing or effecting removal or disposition of rejected product.

22. **WARRANTY:** The vendor shall provide to the County a one (1) year written warranty: (a) against poor workmanship, for all services rendered by the vendor, (b) for all products, materials or equipment provided by the vendor in the course of providing service to the County, and (c) for all commodities sold to the County. 26. LEGALLY REQUIRED STATEMENT AND PROVISIONS REGARDING ACCESS TO RECORDS - APPLICABLE TO SERVICES CONTRACTS ONLY

The parties acknowledge and agree that the statement and provisions below are required by Florida Statute to be included in contracts for services. The inclusion of this statement and provisions below shall not be construed to imply that the vendor has been delegated any governmental decision-making authority, governmental responsibility or governmental function or that the vendor is acting on behalf of the County as provided under Section 119.011(2), Florida Statutes, or that the statement or provisions are otherwise applicable to the vendor. As stated below, the vendor may contact the County's Custodian of Public Records with questions regarding the application of the Public Records Law; however, the vendor is advised to seek independent legal counsel as to its legal obligations. The County cannot provide the vendor advice regarding its legal rights or obligations.

IF THE VENDOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE VENDOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

- a) Scott Stromer 813-272-5790,
- b) StromerS@HCFLgov.net,
- c) Procurement Services, 601 E. Kennedy Blvd., 25th Floor, Tampa, Florida 33602.

If under this purchase order/contract, the vendor is providing services and acting on behalf of the County as provided under Section 119.011(2), Florida Statutes, the vendor will comply with public records law, and agrees to:

- a) Keep and maintain public records required by the County to perform the services.
- b) Upon request from the County's custodian of public records, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.
- c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the purchase order/contract term and following completion of the purchase order/contract if the vendor does not transfer the records to the County.
- d) Upon completion of the contract, transfer at no cost to the County, all public records in possession of the vendor or keep and maintain public records required by the County to perform the service. If the vendor transfers all public records to the County upon completion of the contract, the vendor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the vendor keeps and maintains public records upon completion of the contract, the vendor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of public records, in a format that is compatible with the information technology systems of the County.

Failure of the vendor to comply with Chapter 119, Florida Statutes, and/or the provisions set forth above, where applicable, shall be grounds for immediate unilateral termination of this contract/purchase order by the County.

27. USE OF E-VERIFY, LEGALLY AUTHORIZED WORKFORCE & IMAGE BEST PRACTICES

a) E-Verify:

Vendor affirms that it is in compliance with Florida Statutes, Section 448.095 which, in part, requires all vendors/contractors and its subcontractors to register with and use the United States Department of Homeland Security's E-Verify system for all newly hired employees, and requires vendors/contractors to obtain affidavits from its subcontractors stating that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. Vendor acknowledges and understands that pursuant to Florida Statutes Section 448.095, the County is required to terminate this purchase order/contract

if it has a good faith belief that the vendor knowingly violated Florida Statutes Section 448.09(1); whereupon, the vendor will not be eligible for award of a public contract for at least one (1) year from the date of such termination.

b) Legally Authorized Workforce:

i) Vendor is advised that the County has entered into an agreement (the IMAGE Agreement) with U.S. Immigration and Customs Enforcement (ICE) wherein the County will, in part, seek to promote the principles of ethical business conduct, prevent knowingly hiring unauthorized workers through self-governance, and encourage voluntary reporting of the discovery of unauthorized workers to ICE. Accordingly, by submitting its offer, vendor represents and warrants:

aa) that vendor is in compliance with all applicable Federal, State and local laws, including, but not limited to, the laws related to the requirement of an employer to verify an employee's eligibility to work in the United States;

bb) that all of vendor's employees are legally eligible to work in the United States; and

cc) that the vendor has actively and affirmatively verified such eligibility utilizing the E-Verify system and/or the Federal Government's Employment Eligibility Verification Form (the Form I-9).

ii) A mere allegation of vendor's intent to use and/or current use of unauthorized workers may not be a basis to delay the County's award of a contract to the vendor unless the County has a good faith belief that the vendor knowingly violated Florida Statutes Section 448.09(1) or such allegation has been determined to be factual by ICE prior to the date the contract is scheduled to be awarded by the County.

iii) Good faith claims/beliefs of the vendor's use of unauthorized workers must be reported to both of the following agencies: The County's Compliance Services hotline at (813) 272-6554; and ICE (Immigration and Customs Enforcement) at 1-866-DHS-2-ICE (1-866-347-2423).

c) IMAGE Best Practices:

Vendor is encouraged to incorporate IMAGE Best Practices into its business and, when practicable, incorporate verification requirements into its agreements with subcontractors.

28. CHANGES IN THE WORK/CHANGE ORDERS/MODIFICATIONS

a) All additions, deletions, or revisions to this purchase order/contract shall be valid and enforceable only when authorized by a written Change Order or Modification Agreement approved and/or executed by the applicable authorized representatives of the County in accordance with County policy. Modification Agreements that are required to be approved by the Board of County Commissioners pursuant to County policy must be executed by the vendor and the Chair of the Board of County Commissioners. Only upon receipt of a Change Order or Modification Agreement shall the vendor be authorized to proceed with the work involved. All such work shall be executed under the applicable terms and conditions contained in the purchase order/contract documents. Change Order/Modification Agreement shall mean the written order to the vendor authorizing an addition, deletion, or revision in the goods, services and/or work to be provided under the purchase order/contract documents or an adjustment in the contract price after the award of and/or execution of the contract.

b) Additional work performed by the vendor without the authorization of a Change Order or Modification Agreement will not entitle the vendor to an increase in the contract price or an extension of the contract time except in the case of an emergency as provided for herein. The effect of this paragraph shall remain paramount and shall prevail irrespective of any conflicting provisions contained in contract documents.

c) It is the vendor's responsibility to notify its surety of any changes affecting the general scope of the work/services or change of the contract price, and the amount of the applicable bond(s) shall be adjusted accordingly.

29. UTILIZATION OF DM/DWBEs

a) This clause shall only be applicable to those contracts/procurements where the vendor has agreed to the goal established by the County for the utilization of Disadvantaged Minority/Disadvantaged Women Business Enterprises (DM/DWBEs) pursuant to Hillsborough County Resolution No. R06-264 and its subsequent amendments.

b) Vendor acknowledges and agrees that it has committed to achieve the percentage goal stated on the ordering document(s) related to this procurement for the utilization of DM/DWBE businesses. Accordingly, vendor is required to subcontract a minimum of this percentage goal of the monetary value of the services and/or work to be performed under this contract to certified DM/DWBE businesses. Vendor shall not substitute with a non-DM/DWBE subcontractor or complete the services/work using its own forces without the prior written approval of the County's DM/DWBE Division Office. Approval of such substitution by the County will be provided only upon a showing that it is not reasonable or possible for the vendor to obtain the services of another certified DM/DWBE business to achieve the DM/DWBE participation goal. To assist the vendor with identification of County-certified DM/DWBE businesses, vendor should refer to the County's DM/DWBE

Directory which can be found on the County website at
<https://www.hillsboroughcounty.org/en/businesses/doing-business-with-hillsborough/minorities-and-women>.

c) Vendor is required to utilize the County's Vendor Compliance System (B2GNOW) on a monthly basis to confirm payments received from the County and to list any payments made by the vendor to DM/DWBE subcontractors, whether or not payment has been made to the vendor by the County. The County's Vendor Compliance System (B2GNOW) can be accessed at the following link: <https://hillsboroughcounty.diversitycompliance.com/>.

d) Vendor shall coordinate its DM/DWBE utilization efforts with the County-assigned project manager on this contract. Vendor is advised to contact the County's DM/DWBE Division Office at MWSBE@HCFLGov.net for guidance and assistance regarding the County's DM/DWBE Program requirements, DM/DWBE certification, and/or utilization of the County's Vendor Compliance System (B2GNOW).

e) Failure of the vendor to comply with this section may constitute a material breach of contract and shall entitle the County to remedies as more specifically set forth in the County's Operational Procedures governing the DM/DWBE Program; such remedies may include, but are not limited to, the forfeiture of and/or recovery by the County of monies paid to the vendor under this contract intended for expenditure with a DM/DWBE subcontractor, and/or suspension or debarment of the vendor from bidding and/or working on County contracts for up to two (2) years. Vendor is advised that failure to comply with the requirements of this section may result in a non-responsibility determination of bids/offers by the vendor on future procurement solicitations issued by the County.

30. NO ASSIGNMENT OF CONTRACT: Vendor shall not make any assignment of this contract, in whole or in part, without the prior written authorization of the County. Failure to obtain prior written authorization of the County will result in a delay of payment(s) at a minimum and may result in termination by the County for breach of contract.

1.3.16.4. In general, mild domestic laundry detergents can be used, if applied with the instructions provided for the laundry in terms of the amount of detergent added for the wash water volume used in the suds (detergent addition step) for the specific washing machine or washer extractor. A single detergent can be viable for washing both the shell and liners for structural firefighting protective garments; however, some suppliers might offer specialty detergents that have been formulated for either heavier duty cleaning of outer shells or gentler cleaning of linings. In addition, spot treatment agents are usually required for removal of specific heavy soiling and some common fire ground contaminants.

1.3.16.5. The selection of the detergent should include a consideration of several factors in addition to the pH range. Foremost among these is the demonstration by the supplier that the detergent is safe to use with fire fighter protective clothing. This demonstration consists of the following two parts: (1) the effectiveness of the detergent in removing soils and other contaminants as indicated in this section; (2) the impact of the detergent through multiple washings in the protective element.

1.3.16.6. A mild detergent with the pH range of no less than 6.0 pH and not greater than 10.5 pH as indicated in the product Material Safety Data Sheets (MSDS) or original product container shall be used.

1.3.16.7. Disinfectant, Sanitizing: As part of the process of neutralizing and removing harmful contaminants, especially any bacteria, spore and known blood-borne pathogen contaminants, the gear shall be treated with a hospital grade Environment Protection Agency (EPA) registered fabric sanitizer that has been proven to kill at least 99.99 percent of germs and bacteria in the rinse cycle. Contractor shall provide written proof validation of all disinfecting and sanitizing claims along with bid submittal or upon County's request. Bidder shall provide specification sheet and EPA registration number of sanitizing agent upon bid submission or upon County's request.

1.3.17. Due to the nature of the service described in these specifications, timeliness and quality of service is critical. A documented pattern of tardiness and/or complaints relating to service quality may result in termination of the resulting contract and/or procurement of service from another Contractor.

Reporting System

1.3.18. The Contractor shall utilize a fully hosted solution for all NFPA record-keeping in which multiple users can access simultaneously. This fully hosted solution shall be accessible on Hillsborough County Windows desktops.

1.3.19. Shortcuts for all desired reports shall be created by the Contractor.

1.3.20. The fully hosted solution shall have the capability to create customized reporting within one (1) business day upon request by the County at no additional charge to the County.

1.3.21. The fully hosted solution shall have the ability to upload HCFR's existing roster to include any inventory changes.

License(s) must be effective as of the Bid Submittal Deadline/Close Date and must be maintained throughout the Contract Period. Failure to be properly licensed as stated above will result in the rejection of the Offer as non-responsive.

4.25. Modification and/or Withdrawal of Offer Prior to Close Date

Prior to the Bid Submittal Deadline/Close Date, Offers may be withdrawn upon written request signed by the Bidder/Proposer and submitted and/or postmarked to the County prior to the Bid Submittal Deadline/Close Date. Additionally, pursuant to County policy, a conviction of a public entity crime may cause the rejection of an Offer. The County may make inquiries regarding alleged convictions of public entity crimes. The unreasonable failure of a Bidder/Proposer to promptly supply information in connection with an inquiry may be grounds for rejection of an Offer.

Modification Agreements that are required to be approved by the Board of County Commissioners pursuant to County policy must be executed by the Contractor and the Chair of the Board of County Commissioners. Only upon receipt of a Change Order or Modification Agreement shall the Contractor be authorized to proceed with the Work involved. All such Work shall be executed under the applicable terms and conditions contained in the Contract Documents.
- b) Additional Work performed by the Contractor without the authorization of a Change Order or Modification Agreement will not entitle the Contractor to an increase in the Contract Price or an extension of the Contract Time except in the case of an emergency as provided for herein. The effect of this paragraph shall remain paramount and shall prevail irrespective of any conflicting provisions contained in these Contract Documents.
- c) It is the Contractor's responsibility to notify its Surety of any changes affecting the general scope of the Work/Services or change of the Contract Price, and the amount of the applicable Bond(s) shall be adjusted accordingly.

5.3. Contractor Must Use E-Verify, Must Have Legally Authorized Workforce & Utilize IMAGE Best Practices

- a) **E-Verify**

i) Pursuant to Florida Statutes Section 448.095, the Contractor (and its Subcontractors) are required to utilize the United States Department of Homeland Security's (DHS) E-Verify system for all newly hired employees. The E-Verify system is an Internet-based system operated by DHS that allows participating employers to electronically verify the employment eligibility of newly hired employees. Accordingly, by submitting its Offer, the Contractor represents and warrants that it is registered with, and uses, the E-Verify system for all newly hired employees.

ii) Pursuant to Florida Statutes Section 448.095, the Contractor must obtain an affidavit from its Subcontractors stating that the Subcontractor does not employ, contract with, or subcontract with an unauthorized alien. The Contractor is required to maintain a copy of such affidavit for the duration of the Contract Period and shall provide the County with a copy of such affidavit within three (3) Business Days of the County's request for said affidavit.

iii) Contractor is advised that pursuant to Florida Statutes Section 448.095, the County is required to terminate this Contract if it has a good faith belief that the Contractor knowingly violated Florida Statutes Section 448.09(1); whereupon, the Contractor will not be eligible for award of a public contract for at least one (1) year from the date of such termination.

iv) Contractor is advised that pursuant to Florida Statutes Section 448.095, if the County has a good faith belief that a Subcontractor knowingly violated Florida Statutes Section 448.095(2) (but that the Contractor has otherwise complied with said Florida Statute), that the County is required to promptly notify the Contractor of such violation and order the Contractor to immediately terminate its contract with the applicable Subcontractor.

b) Legally Authorized Workforce

i) Contractor is advised that the County has entered into an agreement (the IMAGE Agreement) with U.S. Immigration and Customs Enforcement (ICE) wherein the County will, in part, seek to promote the principles of ethical business conduct, prevent knowingly hiring unauthorized workers through self-governance, and encourage voluntary reporting of the discovery of unauthorized workers to ICE. Accordingly, by submitting its Offer, Contractor represents and warrants:

aa) that Contractor is in compliance with all applicable Federal, State and local laws, including, but not limited to, the laws related to the requirement of an employer to verify an employee's eligibility to work in the United States;

bb) that all of Contractor's employees are legally eligible to work in the United States; and

cc) that the Contractor has actively and affirmatively verified such eligibility utilizing the E-Verify system and/or the Federal Government's Employment Eligibility Verification Form (the Form I-9).

ii) A mere allegation of Contractor's intent to use and/or current use of unauthorized workers may not be a basis to delay the County's award of a Contract to the Contractor unless the County has a good faith belief that the Contractor knowingly violated Florida Statutes Section 448.09(1) or such allegation has been

determined to be factual by ICE prior to the date the Contract is scheduled to be awarded by the County.

iii) Good faith claims/beliefs of the Contractor's use of unauthorized workers must be reported to both of the following agencies: The County's Compliance Services hotline at (813) 272-6554; and ICE (Immigration and Customs Enforcement) at 1-866-DHS-2-ICE (1-866-347-2423).

ii) Use the Social Security Number Verification Service and make a good faith effort to correct and verify the names and Social Security numbers of the current workforce. Establish a written hiring and employment eligibility verification policy.

iii) Establish an internal compliance and training program related to the hiring and employment verification process, to include, but not be limited to, completion of Form I-9, how to detect fraudulent use of documents in the verification process, and how to use E-Verify and the Social Security Number Verification Service.

iv) Require the Form I-9 and E-Verify process to be conducted only by individuals who have received appropriate training and include a secondary review as part of each employee's verification to minimize the potential for a single individual to subvert the process.

v) Arrange for annual Form I-9 audits by an external auditing firm or a trained employee not otherwise involved in the Form I-9 process.

vi) Establish a procedure to report to ICE credible information of suspected criminal misconduct in the employment eligibility verification process.

vii) Establish a program to assess subcontractors' compliance with employment eligibility verification requirements. Encourage contractors to incorporate the IMAGE Best Practices contained in this paragraph and, when practicable, incorporate the verification requirements in Subcontractor agreements.

viii) Establish a protocol for responding to letters received from Federal and State government agencies indicating that there is a discrepancy between the agency's information and the information provided by the employer or employee; for example, "no match" letters received from the Social Security Administration.

ix) Establish a tip line mechanism (inbox, e-mail, etc.) for employees to report activity relating to the employment of unauthorized workers, and a protocol for responding to employee tips.

x) Establish and maintain appropriate policies, practices, and safeguards against use of the verification process for unlawful discrimination, and to ensure that U.S. citizens and authorized workers do not face discrimination with respect to hiring, firing, recruitment or referral for a fee because of citizenship status or national origin.

(xi) Maintain copies of any documents accepted as proof of identity and/or employment authorization for all new hires.

5.4. Contractor Use of Hillsborough County For Marketing Prohibited

In addition, the Contractor shall not use subjective or perceived interpretations, even if factual, regarding the County's opinion of the Contractor's performance, product(s) and/or service(s) in any document, article, publication or press release designed to market, promote or highlight the Contractor and/or the Contractor's product(s) and/or service(s). This does not prevent the Contractor from including the County on its client lists and/or listing or using the County as a reference.

5.5. Contractor's Responsibilities

The Contractor will give all notices and comply with all laws, ordinances, rules and regulations applicable to the Work and/or Project. If the Contractor observes that the Specifications are at variance with such laws, ordinances, rules or regulations, then the Contractor will give the County prompt written notice thereof, and any necessary changes shall be adjusted by an appropriate Change Order, Unilateral Change Order or Modification Agreement to the Contract. If the Contractor performs any Work knowing that such Work is contrary to such laws, ordinances, rules and regulations and without giving such notice to the County, the Contractor will bear all costs arising therefrom; however, it shall not be the Contractor's primary responsibility to ensure that the Specifications are in accordance with such laws, ordinances, rules and regulations.

The Contractor shall give the County prompt written notice of any significant changes in the Work/Project or deviations from the Contract Documents caused thereby, and a Change Order, Unilateral Change Order or Modification Agreement shall be issued covering the changes and deviations involved. If the Contractor believes that additional work done by it in an emergency which arose from causes beyond the Contractor's control entitles the Contractor to an increase in the Contract Price

or an extension of the Contract Time, the Contractor may make a claim for the same. Such increase in Contract Price and/or extension of the Contract Time will be included in the Change Order, Unilateral Change Order or Modification Agreement if such claim is approved by the County.

5.8. Failure to Perform

If, during the Contract Period, the Contractor should refuse or otherwise fail to perform any of its obligations under the Contract, the County reserves the right to:

- a) Obtain the goods, Services and/or Work from another contractor; and/or
- b) Terminate the Contract; and/or
- c) Suspend/debar the Contractor from bidding on County solicitation documents for a period of up to twenty-four (24) months; and/or
- d) Pursue any and all other remedies available to the County.

5.9. Fiscal Non-Funding/Availability of Funding

The award of this Solicitation Document is contingent upon the availability of funding. Furthermore, if funding during the Contract Period becomes unavailable, the County reserves the right to terminate the Contract after providing the Contractor no less than twenty-four (24) hours written notice, provided that, the County will pay the Contractor for any authorized goods and/or Services provided prior to the Contractor's receipt of said termination notice. The County shall be the final authority as to the availability of funds.

5.10. Force Majeure

The Contract Time may be extended in an amount equal to time lost due to delays beyond the control of the Contractor. Such delays shall include, but is not limited to, acts or neglect by the County or to fires, floods, labor disputes, epidemics, abnormal weather conditions or acts of God. b) Patent and Copyright Indemnification - with respect to any Work, Services and/or goods provided pursuant to this Contract, the Contractor shall indemnify, defend, and hold harmless the County from any suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to violation or infringement of trademark, copyright patent, trade secret or intellectual property right, provided, however, that the foregoing obligation shall not apply to a County's misuse or modification of Contractor's products or County's operation or use of Contractor's products in a manner not contemplated by the Contract. If any product is the subject of an infringement suit, or in the Contractor's opinion is likely to become the subject of such a suit, the Contractor may, at its sole expense, procure for the County the right to continue using the product or to modify it to become non-infringing. If the Contractor is not reasonably able to modify or otherwise secure for the County the right to continue using the product, the Contractor shall remove the product and refund the County the amounts paid in excess of a reasonable rental for past use. The County shall not be liable for any royalties.

c) The Contractor's obligations under the preceding two paragraphs with respect to any legal action are contingent upon the County giving the Contractor:

- i) written notice of any action or threatened action;
- ii) the opportunity to take over and settle or defend any such action at Contractor's sole expense; and
- iii) assistance in defending the action at Contractor's sole expense. The Contractor shall not be liable for any cost, expense, or compromise incurred or made by the County in any legal action without the Contractor's prior written consent, which shall not be unreasonably withheld.

5.14. Injury and/or Damage Claims

Should the County or the Contractor suffer injury or damage to its person or property because of any error, omission or act of the other or of any of its employees, agents or others for whose acts it is legally liable, claim should be made in writing to the other party within a reasonable time of the first observance of such injury or damage.

5.15. Interpretation and Intent of Contract Documents

The Contract Documents are complementary; what is called for by one Contract document is as binding as if called for by all of the Contract Documents. If the Contractor finds a conflict, error or discrepancy in the Contract Documents, the Contractor must bring it to the County's attention in writing before proceeding with the Work affected thereby. In resolving such conflicts, errors and discrepancies, the Contract Documents shall be given preference in the following order: 1) Agreement, 2) Amendment(s) (if applicable to this Solicitation Document), 3) Specifications, 4) Special Terms and Conditions, 5) General Terms and Conditions, and 6) Instructions. Any Work that may reasonably be inferred from the Specifications and/or drawings/maps as being required to produce the intended result shall be supplied whether or not it is specifically called for. Work, materials or equipment described in words which, when applied, have a well-known technical or trade meaning shall be deemed to refer to such

recognized standards. In case of conflict, the more stringent requirements shall take precedence.

5.16. Laws and Regulations

The Contractor is hereby advised that all applicable Federal and State laws, municipal and County ordinances, and the rules and regulations of all authorities having jurisdiction over any part of the goods, Services and/or Work provided under this Contract shall be deemed to be a part of this Contract.

5.17. Legally Required Statement and Provisions Regarding Access to Records for Services Contracts

The Parties acknowledge and agree that the statement and provisions below are required by Florida Statute to be included in this contract for services. The inclusion of this statement and provisions below shall not be construed to imply that the Contractor/Service Provider has been delegated any governmental decision-making authority, governmental responsibility or governmental function or that the Contractor/Service Provider is acting on behalf of the County as provided under Section 119.011(2), Florida Statutes, or that the statement or provisions are otherwise applicable to the Contractor/Service Provider. As stated below, the Contractor/Service Provider may contact the County's Custodian of Public Records with questions regarding the application of the Public Records Law; however, the Contractor/Service Provider is advised to seek independent legal counsel as to its legal obligations. The County cannot provide the Contractor/Service Provider advice regarding its legal rights or obligations.
