This Agreement is in compliance with Chapter 447.203(14) of the Florida Statutes which requires the execution of a written contract reflecting the agreement reached between the Employer and the Certified Bargaining Representative. There shall be no agreements made contrary to the specific terms of the Agreement, unless they are approved by the authorized representative of the County and the Executive Board of the Union.

1 ARTICLE 1

2 Recognition

3 Section 1-1. The County recognizes the Union as the exclusive bargaining agent for all
4 employees in the job classifications contained within the certified bargaining unit for the purpose
5 of collective bargaining with respect to rates of pay, wages, hours of employment, economic
6 benefits as required by law, and other terms and conditions of employment. It is furthermore
7 agreed that the President of Local #3852 or his/her designee, shall be the official spokesperson for
8 the Union in any matter between the Union and the County. The Union shall furnish the County,
9 in writing, the name(s) of its designee(s) and the period of time during which said designee is
10 authorized to conduct business on behalf of the Union.

1 ARTICLE 2

2 Management Rights

3 Section 2-1.

4 Except as expressly limited by other Articles of this Agreement, the County shall have the
5 exclusive right to manage the facilities, services, and business of the County, and direct the
6 working forces the same as it had prior to the execution of this Agreement.

7 These rights include, but are not limited to, the right to plan, direct, and control operations;
8 to assign work and schedule the working hours; to determine the extent to which County services
9 will be performed by County employees or by contract providers, provided that the Union shall be
10 notified and allowed an opportunity for discussion and consultation prior to any sub contracting
11 of County services which would affect members of the bargaining unit; to hire, train, promote,
12 demote, and transfer employees; to suspend, discipline or discharge for just cause and to lay off
13 employees for lack of work or for other legitimate reasons; to make and enforce rules of conduct
14 and regulations; to introduce new methods, materials, or facilities, to establish new job
15 classifications and eliminate job classifications, provided that the Union will be notified and
16 allowed an opportunity for discussion and consultation prior to the establishment of a new
17 classification or elimination of classifications affecting the bargaining unit; and to assign overtime
18 work.

19 If the County declares a state of emergency pursuant to Chapter 27 of the County's
20 Administrative Code, or if the State of Florida declares a state of emergency, the Fire Chief or
21 their designee may suspend Articles 8, 9, and 12, as it pertains to leave time and hours worked.
22 The County will notice the Union upon suspension of these Articles, and agrees to discuss the
23 same with the Union every seven days, if the state of emergency is extended to discuss necessary
24 extensions.

1 ARTICLE 3

2 Non-Discrimination

3 Section 3-1. The parties hereby acknowledge their responsibility under Florida Statute,
4 Section 112.042(1) which provides as follows:

5 "It is against the public policy of this state for the governing body of any county or
6 municipal agency, board, commission, department, or office, solely because of the race, color,
7 national origin, sex, handicap, or religious creed of any individual, to refuse to hire or employ, to
8 bar, or to discharge from employment such individuals or to otherwise discriminate against such
9 individuals with respect to compensation, hire, tenure, terms, conditions, or privileges of
10 employment, if the individual is the most competent and able to perform the services required."

11 Any claim or charge of discrimination may be processed through the grievance procedure
12 provided for in this Agreement but shall not be brought to arbitration unless the grievant(s) signs
13 a statement electing to have the matter brought to arbitration exclusively and waiving any right
14 thereafter to file charges with any state or federal board, commission, agency, or court concerning
15 the same matter.

ARTICLE 4

No Strikes

Section 4-1. The parties hereby recognize the provisions of Chapter 447 of the Florida Statutes which define strikes, prohibit strikes, and establish penalties in the case of a strike and incorporate those statutory provisions herein by reference. The parties further agree that the County shall have the right to discharge or otherwise discipline any employee(s) who engage(s) in any activity defined in Section 447.203(6) of the Florida Statutes, at its discretion.

1 ARTICLE 5

2 Jury Duty - Witness Duty

3 Section 5-1. Jury Duty. When an employee is required to serve on jury duty, the employee
4 shall be relieved of responsibility for their regular work shift, and the County shall pay the
5 employee the amount that would have been received had the employee worked his/her regular
6 work shift. All employees who are required to serve on jury duty shall report to their supervisor
7 or department head that they have been notified for that purpose within twenty-four (24) hours of
8 receiving such notice when possible but in no event later than the beginning of the next work shift.
9 When an employee is finally released or is excused from jury duty, the employee shall, as soon as
10 possible, notify their supervisor of their availability for work.

11 Section 5-2. Witness Duty. Any employee, upon the request and for the benefit of the
12 County, attends any legal proceedings involving the County, or is subpoenaed to any court
13 proceeding involving the County, shall be paid as if engaged in the employee's normal work. If
14 the employee is subpoenaed to any legal or court proceeding in which the employee is not
15 personally or monetarily interested, they shall be paid as if engaged in the employee's normal
16 work, time spent traveling to and from those proceeding and wait time related to the employee's
17 testimony that occur during the employee's regularly scheduled work hours, shall be considered
18 as time worked.

19 Section 5-3. Fees. Any fees, excluding mileage, received as a juror or witness while being
20 paid as a County employee shall be reimbursed to the County as a condition of approval for any
21 civil leave request.

1 ARTICLE 6

2 Checkoff of Dues

3 Section 6-1. Authorization. The County agrees to make a deduction of Union dues,
4 initiation fees, and assessments from the paycheck of any employee covered by this Agreement
5 upon written authorization signed by the employee directing the County to make such deduction
6 and transmit an amount to the Union. The deduction authorization shall continue until one of the
7 following occurs:

- 8 (a) the employee gives written notice to the County and the Union revoking the dues
9 deduction authorization; or
10 (b) the employee is terminated.

11 The dues deduction cancellation shall be effective thirty (30) calendar days following the day it is
12 received by the County and the Union.

13 Section 6-2. Remission of Dues to Union. The amounts to be deducted as dues shall be
14 certified to the County by the Financial Secretary of the Union. The County agrees to remit such
15 dues deduction to the Financial Secretary on a monthly basis. The Union shall pay the County
16 \$125.00 for processing the dues checkoff no later than October 30 of the fiscal year. For the
17 payment of the aforesaid fee, the Union shall be provided with a monthly list of all additions or
18 deletions of employees in the bargaining unit, the names of employees on whose behalf dues have
19 been deducted and remission of the net amount of dues deducted.

20 Section 6-3. Indemnification. The Union shall indemnify, defend, or hold the County
21 harmless against any and all claims, demands, suits, or other forms of liability that shall arise out
22 of or on account of any payroll deduction of Union dues. The Union agrees that in case of error,
23 proper adjustment, if any, will be made by the Union with the affected employee.

1 ARTICLE 7

2 Seniority

3 Section 7-1. Definition. Seniority is an employee's length of continuous service with the
4 County, dating from their last date of hire and upon completion of the probationary period.
5 Employees with the same date of hire shall have seniority standing among themselves based upon
6 the chronological order in which they applied for employment. Applications will be time and date
7 stamped when submitted.

8 Section 7-2. Probationary Employees. A new employee shall be considered a probationary
9 employee for twelve (12) months after which seniority shall date back to the date of hire as a
10 permanent employee. During such probationary period, a probationary employee shall not have
11 seniority and may be laid off, discharged, or otherwise terminated by the County and such action
12 shall not be subject to the grievance procedure of this agreement. During such time, an employee
13 will not be considered "permanent" or be eligible for any benefits afforded permanent employees.

14 Employees who receive a promotion, or who transfer to a different classification, shall be
15 on probation in that classification for a period of six (6) months during which, if they are not
16 retained, they shall be returned to their former classification if it exists and there is a vacancy
17 available. If an employee is absent on excused leave for more than thirty (30) consecutive calendar
18 days during this promotional probationary period, the promotional probationary period may be
19 extended for up to an additional three months. The position from which the employee has been
20 promoted or transferred will not be permanently filled for six months unless operational needs
21 require that it be filled.

22 If the promoted or transferred employee is not retained in his/her new position and the
23 former job has been permanently filled, they may exercise the replacement procedure outlined in
24 Article VII, Section 5 of this Agreement.

25 Section 7-3. Promotion/Hiring. In the event a job opening is to be filled by the promotion
26 of an employee in the bargaining unit, the following factors shall be considered in selecting
27 employees for promotion and to fill vacancies and new jobs:

- 1 (a) ability and qualifications to perform the works determined by written, oral or
2 assessment process where possible (in which event the process may be monitored
3 by someone from the Human Resources Office and the Union if so requested); and
- 4 (b) performance reviews and disciplinary history; and
- 5 (c) seniority.

6 Where, as among the employees concerned, factors (a) and (b) are relatively equal, factor (c) shall
7 govern.

8 In the event the job opening is to be filled by consideration of applicants not employed by
9 the County, applicants from the bargaining unit shall be compared with non-employee applicants
10 and if factor (a) considerations are relatively equal, factor (c) shall govern selection to fill the job.

11 Section 7-4. Job Posting. In the event a job opening is to be filled, the vacancy shall be
12 posted for a minimum period of ten (10) working days on the County's website. An assessment
13 process will be utilized. If funding is available, it will be facilitated by a professional entity
14 contracted by the department. An interview panel, which shall be determined by the Fire Chief,
15 will review the candidates, participate in the interview and provide input and a recommendation
16 to the Fire Chief on filling the vacancy. . The Union shall be notified of the interview panel when
17 the testing is announced to candidates. The County agrees to formally notify employees who are
18 not selected for promotional opportunities. Such notification shall be in writing and shall identify
19 an employee's opportunity for further discussion with the hiring supervisor(s) regarding the
20 selection process.

21 The County may elect not to post a vacancy if there is a qualified departmental employee
22 who requests a voluntary transfer, or who is being reduced or disqualified from a higher rated
23 position. The Union shall be notified in advance of a position being filled in this manner. Any
24 employee of the Department who has completed their probationary period and who is interested
25 in filling the vacancy through a voluntary transfer shall apply in writing to the Director of Human
26 Resources or designee.

27 Section 7-5. Layoff and Recall. For the purpose of Layoff and Recall, seniority is defined
28 as an employee's length of continuous service with the County, dating from their most recent

1 promotion date into the affected classification. In the event of a reduction in the work force, newly
2 hired probationary employees in the classification affected shall be first laid off. If further
3 reductions are necessary, non-probationary employees and employees who are on promotional or
4 transfer probation in the affected classification shall be laid off from the classification affected.
5 Employees covered by this contract will be permitted to replace employees in the IAFF General
6 Unit #3852, if all of the applicable conditions listed in Article 7.6 are met. The order of such layoffs
7 shall be based on seniority with the least senior employees in the classification laid off first,
8 provided that factors (a) and (b) in Section 3 are relatively equal. In the event of the relative
9 inequality of these factors, objectively determined as between employees in the same
10 classification, the employee with the higher values of factors (a) and (b) shall be retained.

11 In the event of a layoff, the County shall notify, in writing, the bargaining unit President,
12 with as much notice as possible, prior to sending formal notification to the employees affected by
13 the layoff.

14 Laid off employees shall be recalled to the classification from which they were laid off in
15 the reverse order in which they were laid off, provided that they have not been terminated under
16 Section 6(e) below. It is understood that persons employed with, and paid by, federal or state grant
17 funds will be laid off or terminated upon the elimination or cut back of such funds regardless of
18 their seniority.

19 In the event any temporary or stand-by positions become available during a layoff, the
20 County will first offer those positions to employees who were laid off in accordance with Article
21 VII, Section 5 of this Agreement. Acceptance of a temporary or stand-by position will not affect
22 an employee's recall rights under Article VII, Section 5.

23 Section 7-6. Loss of Seniority. Seniority and the employment relationship shall be broken
24 and terminated if an employee:

- 25 (a) resigns;
- 26 (b) is discharged and not reinstated;
- 27 (c) is absent from work for three (3) consecutive work days without notification to the
28 County, unless notification would have been impossible;

1 (d) is laid off and fails to return to work within ten (10) calendar days after the notice
2 of recall has been sent by certified mail with return receipt requested, addressed to
3 the last known address of record unless there is a reason, acceptable to the County,
4 for such failure;

5 (e) is laid off for twenty-four (24) consecutive months or one-half of the employee's
6 seniority at the time of layoff, illness or injury, whichever is lesser;

7 (f) is absent from work in the case of sickness or illness or injury incurred on the job
8 for twenty-four (24) consecutive months or one-half of the employee's seniority at
9 the time of layoff, illness or injury, whichever is lesser;

10 (g) fails to report for work at the termination of a leave of absence or extension thereof;
11 or

12 (h) accepts gainful employment without permission while on leave of absence.

13 Section 7-7. Seniority during Approved Leave of Absence. An employee's seniority shall
14 be retained during an approved leave of absence but shall accumulate further only during leave
15 with pay and for sixty (60) days without pay, except for leave under Article 8, Section 6.

1 ARTICLE 8

2 Leaves of Absence

3 Section 8-1. Sick Leave. All permanent employees shall earn four (4) hours of sick leave
4 with each bi-weekly pay period provided that the employee has been paid for at least three-fourths
5 (3/4) of the work shifts in the pay period. Time spent in collective bargaining negotiations shall
6 be considered as time worked for the purpose of sick leave accrual and employees on leave under
7 Section 7 of this Article shall not lose sick leave accrual for up to two (2) calendar weeks per year
8 of such Section 7 leave. Sick leave shall be earned as of the last day of the pay period. The
9 employee must be in active pay status for at least seventy-five percent (75%) of the pay period in
10 order to accrue sick leave. Persons who work a normal workweek averaging fifty-six (56) hours
11 shall accrue sick leave at the rate of five point six (5.6) hours per bi-weekly pay period, provided
12 the employee has been paid for at least three-fourths (3/4) of the work shifts in that pay period. At
13 the end of each fiscal year, an employee shall have the option of converting up to ten (10) days of
14 sick leave to annual leave on a two (2) for one (1) basis. The conversion of sick leave will be
15 approved only if the employee has a remaining balance of sick leave of at least one hundred twenty
16 (120) hours, for fifty-six (56) hour per week employees and eighty (80) hours for forty (40) hour
17 per week employees, after the conversion. All requests to convert sick leave must be received by
18 Finance & Accounting prior to October 31. Upon separation from employment after ten (10)
19 years' service, an employee will be entitled to be paid for 50% of their accrued sick leave at the
20 current rate of pay. Employees hired on or after April 1, 2011, upon separation from employment
21 after (10) years of service will be entitled to up to a maximum payout of 500 hours (1,000 hour
22 accrual) for employees regularly scheduled to work either forty (40) or forty-eight (48) hour work
23 weeks, and up to a maximum payout of 700 hours (1,400 hour accrual) for employees regularly
24 scheduled to work an average fifty-six (56) hour work week. Employees will be permitted to
25 accrue sick leave beyond the sick leave accrual cap, but will be limited to the aforementioned cap
26 for payout purposes.

27 Section 8-2. Utilization of Sick Leave. Paid sick leave shall not be taken prior to the time
28 of its accrual and shall only be taken upon prior approval of the County. Sick leave may only be
29 utilized for employee sickness, sickness in the employee's immediate family residing with their
30 (except in the case of children, step-children, parents, step-parents, and current parents-in-law, in

1 which case there will be no residency requirement), necessary doctor's appointments, injury,
2 disability, pregnancy, or for quarantine by health authorities or a physician. Employees may be
3 required to supply proof of sickness, injury or disability. If an employee is sent to a physician of
4 the County's choosing for such purpose, the County will pay the expenses thereof. Utilization of
5 sick leave will be implemented according to the following definitions:

6 (a) Sick leave instance: Any absence due to sickness, illness, or injury that is or is not
7 work related, for any number of consecutive workdays or parts thereof.

8 1. Use of more than two (2) instances of sick leave in a ninety (90) day period
9 without medical certification or the Use of sick leave in combination with
10 days off, holidays off, or other time off without medical certification may
11 be investigated to determine if the employee should be placed on critical
12 attendance or if a violation has occurred that could warrant disciplinary
13 action. An employee placed on critical attendance will be notified in writing
14 that he/she will be required to provide medical certification for a period of
15 three (3) months for the approval of sick leave. After the three (3) months
16 period attendance will be reevaluated. If at the time of reevaluation, sick
17 leave use has reached acceptable standards the employee shall be removed
18 from the critical attendance list and provided written notice.

19 Section 8-3. Leave for Compensable Injury. If an employee sustains a job-related injury
20 they shall be entitled to Workers' Compensation payments in accordance with the laws of the State
21 of Florida. In addition, an employee may utilize available sick leave to supplement Workers'
22 Compensation payments. In no instance shall this combination exceed one hundred percent
23 (100%) of the employee's regular base rate.

24 Section 8-4. Short-Term Military Leave.

25 Short-Term military leave shall be granted for purposes of attending military training in
26 accordance with Chapter 115, Florida Statutes. An employee in the United States Reserve Forces
27 or National Guard shall be granted military leave for training purposes with full pay and without
28 loss of benefits. Such military leave shall not exceed 17 working days (maximum 12-hour day) in
29 a calendar year. A request for short-term military leave shall be submitted to the appropriate

1 supervisor on a Leave Request Form, with or followed by proper documentation as soon as
2 possible.

3 Section 8-5. Long-Term Military. Leave shall be granted in accordance with Chapter 115,
4 Florida Statutes and Chapter 250, Florida Statutes. An employee in the United States Reserve
5 Forces or National Guard ordered to active military duty for purposes other than training shall be
6 granted long-term military leave without loss of benefits or seniority, under the following
7 conditions: An employee ordered to active military duty during a declared war or time of war shall
8 receive full pay for the first thirty (30) days of the long-term military leave; and supplemental pay
9 beginning on the 31st day of the long-term military leave, not to exceed one-hundred-eighty (180)
10 calendar days of absence. Supplemental pay is an amount necessary to bring the employee's total
11 salary, including the base military pay and the supplemental pay, to the level earned from County
12 employment at the time the absence for long-term military leave began. The department director
13 is responsible for submitting an Employee Action Form when the employee is entitled to
14 supplemental pay under this policy. An employee in the Florida National Guard ordered to state
15 active duty under provisions of Chapter 250, Florida Statutes, shall receive full pay for up to thirty
16 (30) days at any one time. Following such an absence for state active duty, the employee must
17 perform the employee's County work for at least one full shift before being eligible for another
18 period of long-term military leave for state active duty. Long-term military leave for other
19 purposes shall be without pay, unless an exception is granted by the Administrating Official for
20 unusually compelling circumstances. An employee who is granted long-term military leave shall
21 retain seniority rights. A request for long-term military leave shall be submitted to the appropriate
22 supervisor on a Leave Request Form, accompanied by proper documentation, including military
23 orders, as soon as possible.

24 Section 8-6. Personal Leave. Upon written request from an employee submitted
25 reasonably in advance, the County will grant a leave of absence without pay where good cause is
26 shown for one (1) or more days, but not to exceed thirty (30) days. This leave may be extended
27 or renewed for one additional period not to exceed thirty (30) days, for reasons which, in the
28 opinion of the County, are satisfactory. In the operation of this section, the question of whether
29 an employee has accrued annual leave time shall not be considered. These leaves are intended to
30 be granted for maternity (after exhaustion of sick leave), health (after exhaustion of sick leave),

1 education, military service, or extenuating personal reasons. Leave requests under this section
2 shall not be arbitrarily or capriciously denied.

3 Section 8-7. Union Leave of Absence. Members elected to Union positions or appointed
4 by the Union to perform work which takes them from employment with the County shall, upon
5 written request, receive leave of absence without pay for the term of office or up to a period not to
6 exceed one (1) year, whichever is greater, and said leave shall be renewable for an additional year
7 period. Employees desiring leave under this Section shall notify the County two (2) weeks in
8 advance of the date on which such leave is to become effective and shall specify the facts giving
9 rise to the request. If it is impossible to give two (2) weeks notice, the County will waive the two
10 (2) week requirement. No more than two (2) employees in any department shall be off on leave
11 under this Section at any one time unless mutually agreed upon by the parties. Union leave of
12 absence shall be limited to conventions, grievance hearings, contract negotiation, officers to attend
13 regular monthly business meetings, and other Union business mutually agreed upon by the County
14 and the Union. Seniority shall accumulate during such leave. Such leave of absence shall not be
15 arbitrarily or capriciously denied.

16 Nothing herein shall preclude the use of accrued annual leave for union officials to conduct
17 union business that ordinarily would be uncompensated time. The County agrees to make a
18 deduction of one (1) hour annual leave from all current Union members. The deduction shall be
19 reflected on the second paycheck stub during the months of March, June, September, and
20 December and the leave will be placed into the Union Time Pool for use by the Union. All unused
21 hours shall be carried over to the following calendar year.

22 Section 8-8. Union Time Pool Leave. A time pool will be established under the provisions
23 of Section 7 of this Article. Union time pool leave shall be limited to conventions, grievance
24 hearings, contract negotiations, officers to attend regular monthly business meeting, and other
25 Union business mutually agreed upon by the County and the Union. This time may be used by any
26 Union member with approval from the Union President or Vice President. Requests shall be made
27 to the Department no later than the previous shift and no more than two (2) Union members
28 (inclusive of both IAFF Units) shall be off at any given time. These members shall not be counted
29 in the total numbers of employees permitted to take annual leave under Article 9, Section 3.

1 Provided that approvals of such leave shall be at the discretion of the Chief or his/her designee.
2 All unused hours shall be carried over to the following calendar year.

3 Section 8-9. Grievance Hearings. Employees who have filed a grievance will be
4 authorized to attend hearings at all four steps with pay if the hearing is scheduled during the
5 employee's normal working hours. The appropriate Union President or Shop Steward may attend
6 with pay if the hearing is during their normal working hours and either the President or Shop
7 Steward is representing the grievant. The Union must submit a list of employees to attend the
8 hearing as direct witnesses. This list must be submitted simultaneously with the notice of appeal
9 to the County Manager's Office to allow for proper departmental notification of the employee's
10 absence. The County Manager or their designee will review the list and authorize absence from
11 work for the employees that the Manager determines should attend. Employees who wish to attend
12 as observers may request annual leave in accordance with established procedures.

13 Section 8-10. Bereavement Leave. An employee who has a death in their immediate
14 family will be granted a bereavement leave of up to five (5) consecutive days and not to exceed
15 forty-eight (48) work hours. Bereavement leave will not be charged to accrued annual or sick
16 leave. Immediate family is described as father, mother, step-parents, spouse, children, step-
17 children, current father-in-law, current mother-in-law, brother, sister, current brother-in-law and
18 sister-in-law, current son-in-law and daughter-in-law, grandparents, step-grandparents, current
19 grandparents-in-law, grandchildren, and legal guardian, and certified domestic partner.
20 Documentation shall be required as a condition for approval of bereavement leave. The
21 Administrating Official may approve a longer period of bereavement leave.

22 Section 8-11. Time Off For Voting. On Election Day, employees who are registered to
23 vote will be allowed time off with pay to vote if their scheduled hours of work do not allow
24 sufficient time to vote. Any such employees must advise their immediate supervisor of a potential
25 time conflict at least forty-eight (48) hours prior to Election Day. In the event such notice is not
26 practicable, the supervisor will make every effort to accommodate the employee.

2 for the next calendar year, including all fifty-two (52) weeks of each year, will be posted by
3 October 1 of the preceding year. The Department must receive all bids by November 1 of the year.

20 used for educational purposes the time can be taken as a two (2) hour minimum with additional
21 fifteen (15) minutes increments up to twenty-four (24) hours, if there is sufficient staffing and no
22 overtime is generated. For fifty-six (56) hour employees, annual leave time may be used for
23 unscheduled purposes after the start of the employee's assigned shift, upon approval of supervision
24 and with as much notice as is practical, provided there is sufficient staffing personnel to cover the

26 leave (Floating Holiday, Military Leave or Annual Leave) is ninety-four hours before the leave
27 will begin. The deadline for canceling leave (Floating Holiday, Military Leave or Annual Leave)
28 is ninety-six (96) hours before the leave will begin. However, at the time an employee decides to

30 and twenty (120) hours of annual leave to not extend the date of separation. For employees

1 assigned to a forty (40) hour work schedule, annual leave to the extent feasible may be taken in

9 an arbitrator who is a member of the National Academy of Arbitrators and who shall be selected
10 from a list furnished by the Federal Mediation and Conciliation Service by means of alternate

27 matter (except discharge) which would otherwise be grievable, they may do so in which event the
28 employee will have four (4) calendar days in which to speak with management and the time limits
29 for filing a grievance will commence on the fifth day. If a grievance is not appealed within the

1 time limits for appeal set forth above, it shall be deemed settled on the basis of the last answer of
2 the County, or if no answer has been made it shall be deemed denied. The time limits may be
3 extended by mutual agreement of the parties.

4 Nothing herein shall limit the County and Union from mutually agreeing to waive any and
5 all steps in the grievance procedure in order to expedite the processing of a grievance.

6 Section 11-5. Performance Review Grievance. Non-probationary employees who receive
7 an "unacceptable" or "below expectations" performance review rating may file a grievance
8 concerning that performance review as provided for in this Article, and if the grievance is presented

2 Hours of Work

3 Section 12-1. Workday; Workweek. Some employees may be assigned to a normal
4 workday of twenty-four (24) hours with an average normal workweek of fifty-six (56) hours. The
5 County may assign forty (40) hour workweek employees any combination of workday hours in a
6 workweek in order to ensure full coverage for county operations. All employees will be made
7 aware of their weekly work schedules at least two (2) weeks in advance, unless there is an
8 emergency or extenuating circumstance that do not allow for the advance notice.

9 Section 12-2. Additional Shift Assignment. In the event an employee in the District Chief
10 classification has worked Additional Hours to fill a District Chief vacancy (no minimum hours) or
11 is assigned to act as a District Chief in charge of a special event (no minimum hours), they will be
12 paid additional hours at the employee's current hourly rate for the number of hours worked or the
13 employee may elect to accrue compensatory time, on an hour for hour basis. Any hours that a
14 District Chief works while waiting for relief will be paid as Additional Hours. These hours do not

17 who meet all of the minimum qualifications required to test for the District Chief position will be
18 used first. To be eligible to fill the vacant position, employee must have demonstrated competency
19 in that higher classification through evaluation exercises administered by the Department training
20 staff. If employees are scheduled to work out-of-class and someone calls in for leave after 0800
21 hours for the next day, employees shall stay as they are scheduled and the vacant position will be
22 filled in the lower classification. If sufficient staffing is not available, the District Chief with the
23 fewest additional hours will be offered the additional hours first. In the event two (2) or more
24 District Chiefs have the same number of additional hours, the assignment will be offered in
25 seniority order. As employees accept additional hours, the hours will be added to their buckets.
26 All buckets will be reset each January 1. If no fifty-six (56) hour District Chief accepts the offer
27 of additional shift assignment, the 40 hour District Chief will be offered the assignment. In the
28 event no District Chief accepts the offer of an additional shift assignment, offers will be made to
29 overtime out-of-class assignment to an eligible employee on the affected shift in the General IAFF

1 Bargaining Unit. All prescheduled District Chief vacancies will be filled a minimum of forty-eight
2 (48) hours in advance.

3 If no General IAFF Bargaining Unit employee is assigned or the assignment results in
4 mandatory overtime in the Lieutenant classification, then a District Chief will be mandated to
5 work. Mandated assignments will be made on a rotating basis, based on the number of mandatory
6 counts in their mandatory bucket. The District Chief with the fewest counts will be mandated to
7 work. In the event two (2) or more District Chiefs have the same number of counts, the assignment
8 will be given to the least senior District Chief. In an effort to achieve an equitable distribution of
9 all Additional Hours opportunities the Department will utilize Telestaff to offer additional
10 assignments and maintain the Department's schedule.

11 Management unit employees may alleviate mandatory overtime assignments in the
12 Lieutenant position, Rescue Lieutenant position, EMS Attendant and/or special event positions as
13 long as the employee has previously held the position or successfully completed the out of class
14 course.

15 Section 12-3. Other Assignment. In the event an employee in the District Chief
16 classification is assigned by the Fire Chief or designee to attend meetings, trainings sessions, work
17 on special projects or any other work activities of at least one (1) hour in addition to their regular
18 shift, the employee will be paid at their current hourly rate, for the number of hours worked. Any
19 additional hours attributed to special assignments or projects shall be counted as incidental
20 additional hours.

21 Section 12-4. Compensatory Time. The accrual of compensatory time is limited to eight
22 (80) hours for forty (40) hour work week employees and one hundred and twelve (112) hours for
23 fifty-six (56) hour work week employees. Hours earned in January through September must be
24 used by the end of that calendar year. Hours earned October through December must be used by
25 the end of the next calendar year. Hours remaining at the end of the respective calendar year will
26 be lost. There is no pay out for accrued compensatory time. If an employee transfers to another
27 department or to a non-exempt position, all accrued compensatory time will be forfeited.

28 Section 12-5. Trade Time Policy. Upon prior approval of the Fire Chief or their designee,
29 an employee may agree with another employee of the same classification (District Chief) to work

1 in place of said employee during their regularly scheduled work assignment, subject to the
2 following restrictions.

3 (a) No employee shall be permitted to have another employee substitute for them in
4 excess of four (4) consecutive shifts (i.e. consecutive "A" Shifts).

10 paid the employee normally assigned).

11 (d) Trade-time request forms will be signed by both parties of the trade and submitted
12 to the appropriate District Chief in charge of scheduling, and time prior to the
13 effective time of the trade.

18 leave. Such sick leave usage shall be assessed as a correction to payroll at the end
19 of the pay period in which it occurred.

20 (h) An employee who fails to report to duty on an approved trade-time shall be assessed
21 the hours from their annual hours as a correction to payroll at the end of the pay
22 period in which it occurred, and the employee will receive Group I disciplinary
23 action for the first offense and loss of Trade-Time privileges for a period of one (1)
24 year from the date of the infraction. Additionally, the employees shall be obligated
25 to pay back all time owed another employee through approved trade time.

26 Section 12-6. Flex Time Policy. Forty (40) hour employees may utilize a flex
27 schedule due to extended work obligations including, but not limited to, training, assessments,
28 planning, etc. The Fire Chief or designee (employee supervisor) may authorize the use of a flex

1 schedule. Salaried employees must flex their work hours within the bi-weekly pay period. Hourly
2 employees must flex their work hours within the pay week. Should there be insufficient
3 opportunity to utilize the flex schedule within the pay period; the employee shall have the choice
4 of utilizing compensatory time upon the approval of their immediate supervisor.

22 and currently have health insurance with Alachua County. The minimum monthly subsidy is \$18
23 (6 years): the maximum is \$90 per month (30 years). Each month the retired employee will receive
24 a check from Alachua County. If in the future the retired employee cancels the retiree health
25 insurance with Alachua County, an annual certification form showing proof of health insurance
26 elsewhere must be forwarded to Risk Management to continue receiving the monthly subsidy.
27 Retirees in the State's Florida Retirement System (FRS) who have entered into the Deferred
28 Retirement Option Program (DROP) are not eligible to receive the County's health insurance
29 subsidy until their participation in DROP ends. Time in DROP will not count towards years of

1 service for the purposes of this policy. The approval of this retiree health insurance subsidy each
2 year will be based on available funding.

4 for County Government, inclusive of the Board of County Commissioners. (b) You meet the

2 Waiver of Bargaining

3 Section 18-1. The Union acknowledges that it had an opportunity during the negotiations
4 which led to this Agreement, to bargain over any and all subjects not removed by law from the
5 scope of bargaining. This Agreement constitutes the complete and entire understanding of both
6 parties concerning all matters which were subject to negotiations, and also concerning those
7 matters which were not discussed in negotiations, it being understood that the Union has achieved
8 only those benefits which are expressly set forth in this Agreement. During the term of this
9 Agreement, the Union waives any right to further bargaining concerning any matter over which it
10 might have the right to bargain with the County, except with regard to any changes which the
11 County should desire to make which have the effect of altering wages, benefits, or terms and
12 conditions of employment not embodied in this Agreement. In the event any such changes are
13 made by the County, it is agreed that they may be made unilaterally and at the time desired by the
14 County, however, the Union shall have the right, upon request, to bargain over the impact which
15 such changes have wrought upon this Agreement, if any, and to secure a written amendment to
16 this Agreement if such bargaining produces an agreement.

2 DRUG FREE WORKPLACE AND DRUG TESTING POLICY

3 The County and the Union agree that drug abuse is a significant public health problem in
4 our society. Drug abuse in the workplace negatively affects individual job performance and
5 undermines the public’s confidence in Alachua County and the services we provide.

6 Both parties to this agreement acknowledge the importance of establishing and maintaining
7 a drug free workplace; and complying with all federal, state, and local regulations related to drug
8 use, including the Federal Drug Free Workplace Act of 1988 and the State Comprehensive
9 Economic Development Act of 1990.

10 As used herein, “drug abuse” includes the use of illicit substances or misuse of controlled
11 substances, alcohol, or other psychoactive drugs. This includes the use of marijuana acquired with
12 a marijuana identification card and CBD products that contain enough THC to elicit a positive
13 drug test.

14 Section 1. Policy Statement. The manufacture, use, possession or distribution of illicit or
15 controlled substances on the job is strictly prohibited. Employees are required to report to work
16 in a fit condition for duty. Being under the influence of alcohol or illicit drugs, and being under
17 the influence of legal drugs to the extent that normal faculties are impaired, is strictly prohibited.
18 Employees who use or distribute drugs on the job are subject to disciplinary action, including
19 dismissal. Any confiscated drugs will be turned over to local law enforcement officials. If an
20 employee is under medical treatment with a drug that could alter his/her ability to do the job, (s)he
21 is required to report this drug use immediately to his/her supervisor.

22 Drug abuse and alcoholism are recognized as illnesses or disorders, and the County accepts
23 responsibility for providing channels of help. However, it is the employee’s responsibility to seek
24 such help. If an employee seeks help on a voluntary basis, then confidentiality will be protected.
25 But, if the employee does not seek help and a work performance or work conduct problem comes
26 to the attention of the County, then disciplinary action will result. Any employee who refuses to
27 submit to a test for drugs or alcohol pursuant to this policy, shall be presumed, in the absence of
28 clear and convincing evidence to the contrary, to be under the influence and will forfeit his/her
29 eligibility for all worker’s compensation medical and indemnity benefits and will be disciplined,

1 up to and including termination. The County does not permit the use of marijuana acquired through
2 a medical marijuana certificate as allowed in Section 381.986(15.a.) Florida Statutes. Medical
3 marijuana use will be treated as an illicit substance and is subject to this Article. Over-the-counter
4 THC products and CBD products are not regulated and may contain enough THC to result in a
5 positive drug test.

6 Section 2. Notice. The drug testing provisions of this policy become effective ninety
7 (90) days following ratification of this Article. All other provisions are effective with the
8 ratification of this Article.

9 The County will provide a one-time written notice to all employees as required by Section
10 440.102(3), Florida Statutes. The notice will be provided to all potential employees prior to any
11 pre-employment drug testing. Copies of this notice will be placed on all employee bulletin boards
12 and a general statement that the County will test all job applicants will be included on vacancy
13 announcements.

14 Section 3. Confidentiality. The provisions of Section 440.102(8), Florida Statutes, shall
15 govern the release of any information, interviews, reports, statements, memoranda and drug testing
16 results received by the County through this drug testing program.

17 Section 4. Types of Testing. The County will conduct the following types of drug testing:

18 (a) Pre-employment - Any final candidate for a position within Alachua County shall
19 be required to take a drug urinalysis and/or blood test prior to initial employment.
20 Any applicant whose test results indicate present alcohol or drug abuse will not be
21 hired.

22 (b) Position Change - Any current employee who is the final candidate for a posted
23 position, whether internal or external, shall be required to take a drug urinalysis and
24 alcohol test prior to the final offer for the new position being extended. Any
25 employee applicant who's confirmed test results indicate present alcohol or drug
26 abuse will not be hired into the new position, and is subject to all other provisions
27 of this policy.

1 (c) Scheduled physical examination - Any employee who undergoes a full physical
2 examination in accordance with Article XIV shall also be tested for drug and/or
3 alcohol use as part of that examination.

4 (d) Reasonable suspicion - Drug testing based on a belief that an employee is using or
5 has used drugs in violation of this policy drawn from specific objective and
6 articulable facts and reasonable inferences drawn from those facts in light of
7 experience. Approval for such testing shall be authorized only by the Personnel
8 Director. Among other things, such facts and inferences may be based upon;

9 (1) Observable documented phenomena while at work, such as direct
10 observation of drug or alcohol use or of the physical symptoms or
11 manifestations of being under the influence of a drug or alcohol.

12 (2) Abnormal conduct or erratic behavior while at work or a significant
13 deterioration in work performance.

14 (3) A report of drug or alcohol use, provided by a reliable and credible source.

15 (4) Evidence that an individual has tampered with a drug or alcohol test during
16 his/her employment with the current employer.

17 (5) Information that an employee has caused, contributed to, or been involved
18 in an accident while at work.

19 (6) Evidence that an employee has used, possessed, sold solicited, or
20 transferred drugs while working or while on County premises or while
21 operating County vehicles, machinery or equipment.

22 If testing is conducted based on reasonable suspicion, the County will immediately
23 document the circumstances which formed the basis of the determination that reasonable
24 suspicion existed to warrant the testing. A copy of this documentation shall be kept
25 confidential by the County pursuant to this policy and shall be retained for at least one (1)
26 year.

27 (e) Follow-up - If an employee, in the course of employment, has a confirmed positive
28 drug or alcohol test and subsequently accesses the Employer Assistance Program

1 for drug related problems or enters an alcohol and drug rehabilitation program, the
2 County will require the employee to submit to a drug and/or alcohol test upon
3 completion of such program as a follow-up to such program, and on a quarterly,
4 semiannual or annual basis, at the County's option, for two (2) years thereafter. If
5 an employee tests positive within eighteen (18) months of completing the two (2)
6 year random follow-up testing for a prior positive drug test, the employee will be
7 considered to have failed a second test, and will be subject to disciplinary action in
8 accordance with this policy. The County will transport the employee to the testing
9 facility. Follow up testing will be conducted in conjunction with either the
10 beginning or end of the employee's shift.

11 (f) Transportation Employees - All employees who are required to hold a commercial
12 driver's license (CDL) and operate a commercial motor vehicle as a condition of
13 employment will be tested for drugs and alcohol in accordance with the Omnibus
14 Transportation Employee Testing Act of 1991 and federal rules as follows:

- 15 (1) Pre-employment - Final candidates for or employees who transfer, promote
16 or demote to a covered position will be tested for both alcohol and drugs
17 prior to the effective date of the transfer, promotion or demotion.
- 18 (2) Post-accident - A covered driver will be tested following an accident when
19 any person involved in the accident has been fatally injured or the driver
20 receives a citation for a moving traffic violation arising from operating the
21 commercial motor vehicle. Additionally, any driver involved in an accident
22 will be subject to testing under Reasonable Suspicion, section 4.d.
- 23 (3) Reasonable Suspicion - Same as for other employees.
- 24 (4) Random - Employees will be tested for alcohol and drugs on a random
25 unannounced basis just before, during or just after operating a commercial
26 motor vehicle. Not less than twenty-five percent (25%) of the total number
27 of employees in covered positions will be tested for alcohol in the first year
28 and fifty percent (50%) for drugs the first year. The number to be tested in
29 subsequent years will conform with federal rules. Each driver shall be

1 chosen using a scientifically valid random method and shall have an equal
2 chance each time selections are made.

3 (5) A confirmed blood alcohol level of .02%, but less than .04% will require
4 that the employee be removed from performing all duties requiring a CDL
5 for a minimum of eight (8) hours, or until a re-test shows the employee's
6 blood alcohol content has dropped below .02%. If an employee has a
7 confirmed blood alcohol level of .04% or greater, the employee may not
8 return to a function requiring a CDL until, at a minimum:

9 (1) the employee undergoes an evaluation, and where necessary,
10 treatment; and

11 (2) a Substance Abuse Professional (SAP) determines that the employee
12 has successfully complied with any recommended treatment; and

13 (3) the employee's blood alcohol content is less than .02% on a return-
14 to-duty test.

15 (6) Follow-up - Same as for other employees except that at least six (6) tests
16 will be conducted in the first twelve (12) months after an employee returns
17 to duty.

18 All testing under section (f) shall comply with the provisions of the Omnibus Act and
19 federally adopted rules.

20 Section 5. Drug Testing Procedures. All specimen collection and testing for drugs shall be
21 conducted in accordance with Section 440.102(5), (6), and (7), Florida Statutes.

10 the MRO, the County shall inform the employee in writing of such positive test
11 results, the consequences of such result, and the options available to the employee.
12 Notification shall be mailed certified or hand delivered. Absent extenuating
13 circumstances, mailed notification shall be deemed received by the employee when
14 signed for, or seven (7) calendar days after delivery, whichever occurs first. A copy
15 of the test results will be provided to the employee with this notification.

16 Section 6. Employee Challenges and Option to Retest. Within five (5) working days after
17 receiving notice of a positive confirmed test result from the County, the employee may submit
18 information to the Personnel Office explaining or contesting the test results and why the results do
19 not constitute a violation of this program. The employee will be notified in writing if the
20 explanation or challenge is unsatisfactory to the County. This notice will be hand delivered or

21 appropriate disciplinary action will be taken if the employee has previously tested positive for a
22 drug and/or alcohol use, and has sought treatment through the EAP or entered a drug and/or alcohol
23 rehabilitation program for drug related problems while in the County’s employ.

24 Section 8. Violations and Continued Employment. Employees who violate this Drug Free
25 Workplace Policy with a first time positive confirmed drug and/or alcohol test will be referred to
26 the County EAP or other community alcohol and drug rehabilitation programs as appropriate.
27 However, use of the EAP or other rehabilitation resources will not prevent the County from taking
28 appropriate disciplinary action for violations of other County policies. Employees referred to the

1 EAP or other rehabilitation program as a result of a first violation will be allowed to continue
2 employment with the County provided that:

- 3 (1) They contact EAP or other rehabilitation resource and strictly adhere to all terms

20 Federal agency in writing, within 10 calendar days, if any employee working under a Federal Grant
21 is convicted of violating a criminal drug statute.

23 result in dismissal from employment.
