

AMENDMENT 7

This Amendment, entered into between the Florida Council Against Sexual Violence, hereinafter referred to as the "Council" and Alachua County Board of County Commissioners, hereinafter referred to as the "Provider," amends subcontract number 16TFGR17.

This subcontract is hereby renewed for an additional five (5) years. The revised term end date is June 30, 2026.

Accordingly, the subcontract is amended as follows:

1. The Provider shall receive an award in the amount of \$122,654.00 for the period July 1, 2021 – June 30, 2022.
2. The Council amends this contract to comply with Ch.20-149, Laws of Fla., which created section 448.095, Florida Statutes to require all public employers, contractor, and subcontractors register with and use the E-Verify system to verify the work authorization status of all newly hired employees. A public employer, contractor, or subcontractor may not enter into a contract unless each party to the contract registers with and uses the E-Verify system. Accordingly, the Standard Contract, Section I.C.2.d., is deleted in its entirety and replaced with the following:

Employment Eligibility Verification: Effective January 1, 2021, Provider is required to use the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all newly hired employees used by the Provider under this Contract, pursuant to section 448.095, Florida Statutes. Also, the Provider must include in related subcontracts, if authorized under this Contract, a requirement that subcontractors performing work or providing services pursuant to this Contract use the E-Verify system to verify employment eligibility of all newly hired employees used by the subcontractor for the performance of services under this Contract. The subcontractor must provide the Provider with an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. The Provider must maintain a copy of such affidavit for the duration of the Contract. If the Department has a good faith belief that a subcontractor knowingly violated section 448.095(1), Florida Statutes, and notifies the Provider of such, but the Provider otherwise complied with this statute, the Provider must immediately terminate the contract with the subcontractor.

3. Attachment I is hereby omitted in its entirety and replaced with the Attachment I herein:
4. Attachment II, Exhibit 1, Financial and Compliance Audit, is deleted entirely and replaced as attached hereto.
5. Attachment III (invoice) is deleted entirely and replaced as attached hereto.

This amendment shall begin on July 1, 2021 and shall be retroactive to that date if executed thereafter.

All provisions in the subcontract and any attachments thereto in conflict with this amendment shall be and are hereby changed to conform to this amendment.

All provisions not in conflict with this amendment are still in effect and are to be performed at the level specified in the subcontract.

This amendment and all its attachments are hereby made a part of the subcontract.

IN WITNESS THEREOF, the parties hereto have caused this sixteen (16) page amendment to be executed by their officials thereunto duly authorized.

2. Clients to Be Served.

- a. General Description. All victims of sexual assault may be provided services.
- b. Client Eligibility. Eligibility extends to any individual that has been the victim of sexual assault (primary and/or secondary victims). The primary presenting reason for an individual to receive services supported under this subcontract must be related to sexual assault. Domestic violence or other trauma-related services may not be supported with subcontract funds. However, if an individual presents as a victim of domestic violence or other trauma, but is also a victim of sexual assault, related sexual assault-specific victim services may be supported under this subcontract.

- d. Subcontract Limits. All services shall be performed during the subcontract period. The amount of services to be provided is limited to the amount of annual funds available and to those services listed in Attachment I, Section C.1.a., herein.

 - a. Tasks. The Provider will perform the following tasks throughout the term of the subcontract unless otherwise specified.
 - 1) Services.
 - a) The Provider shall provide the following nine (9) core services: 1) 24-hour helpline, 2) information and referral, 3) crisis intervention, 4) advocacy, 5) accompaniment, 6) community awareness, 7) system coordination, 8) support groups/personal growth groups, and 9) therapy. All core and enhanced services shall be conducted in accordance with the Council's certification standards.
 - b) Sexual assault recovery services shall be entered in the SVDR and documented in case notes and maintained in client files in date order. In accordance with the Council's Guidelines for Documenting Sexual Violence Services in Client Files, incorporated herein by reference and maintained on the Council's website, case notes shall clearly indicate the services provided and how each was related to the sexual violence victimization. Each unit of service provided (information and referral, crisis intervention, advocacy, etc.) may only be assigned and reported to one funding source per occurrence. A unit of service (counted as a singular event; irrespective of amount of time dedicated) may only be reported as an unduplicated count to a single funding source.

2) Helpline monitoring and quality assurance.

a) The Provider shall participate in annual helpline training and monitoring conducted by the Council.

1. If deficiencies on the monitoring report warrant a written response, the Provider agrees to submit a Quality Assurance Action Plan (QAAP) to the Council detailing steps to correct the poor rating and the dates to achieve those steps. The QAAP shall be submitted to the Council for approval within fifteen (15) days of the deficiency notification date.

2. The Provider agrees to participate in technical assistance offered by the Council.

- 3) The provider will conduct a minimum of two (2) sexual violence-specific outreach activities per county per quarter. If sexual assault services numbers are low in any county, the Council may require additional outreach activities in counties where service numbers are considered to be low.
- 4) During each July to June period of the subcontract term, the Provider shall ensure that at least one direct service sexual assault program staff member, who is in a non-supervisory role, attend an advocate meeting/training coordinated by the Council.
- 5) The Provider's executive director/chief executive officer or a substitute, pre-approved by the Council, must attend the annual leadership institute conducted by the Council. The Council will provide additional information regarding what travel costs will be covered.
- 6) The Provider shall complete an annual survey, provided by the Council, to address enhanced service delivery, ways the Council may provide assistance, and future statewide initiatives.
- 7) The Provider shall complete an electronic SANE (Sexual Assault Nurse Examiner) Pilot Data Collection Survey (developed and provided by the Council) on Survey Monkey at the end of every six (6) month period; to provide data on all survivors provided SANE medical forensic exams and medical forensic exam advocacy and accompaniment services.

b. Task Limits.

- 1) All tasks shall be provided within the State of Florida.
- 2) The Provider is authorized to perform only the tasks set out herein or in any amendment hereto.
- 3) Sexual assault victims shall not be charged for services rendered.
- 4) The Provider agrees that funds under this subcontract will not be used to conduct public awareness or community education campaigns or related activities. Contract funds may be used to support, inform, or educate sexual assault victims about available services.

c. The Provider shall remain operational and submit reports for the entire subcontract term, even if the deliverables have been met before the subcontract ending date.

2. Staffing Requirements.

- a. Staffing Levels. The Provider shall maintain an adequate administrative organizational structure and support staff sufficient to discharge its contractual responsibilities. The Provider shall designate a project manager, identified in Section III.D.4. of the Standard Subcontract, who is responsible for subcontract compliance and who will be the primary point of contact for the Council on progress and all work products.
 - 1) The Provider shall submit job descriptions, resumes and any other credentials for all staff funded under this subcontract to the contract manager.
 - 2) The Provider shall require all staff funded under this subcontract to maintain timesheets signed by each individual and their supervisor to account for their time.
 - 3) The Provider shall notify the Council contract manager in writing within five (5) working days of hiring and/or terminating staff funded under this subcontract. Notifying other individuals at the Council does not meet this requirement. For new hires, notification shall include a resume and job description (if not previously provided). The contract manager should be contacted to determine if a budget revision is necessary.
 - 4) If any information on the Provider Contact Information Form changes, the Provider shall submit a revised form within five (5) working days of the change to the contract manager. This includes the primary or secondary point of contact.
 - 5) The Provider shall notify the Council one week **prior** to a change of address and submit a revised Provider Contact Information Form within five (5) working days.
 - 6) The Provider shall designate a leadership position of sexual assault program director, manager, or coordinator funded at 100 percent for sexual assault, regardless of funding source. The Provider shall identify the name, title, and job description for that individual and attest that one hundred percent (100 percent) of their time will be devoted to sexual assault services and/or related sexual assault program activities during the subcontract period. In circumstances where job duties requiring supervision of staff that spend some of their time on non-sexual assault program duties, the Council may approve funding at 75 percent FTE for sexual assault. In this case, the agency must demonstrate that the position's primary responsibility is sexual violence leadership and a minimum of three-quarters of the person's time is spent on direct services, outreach, system coordination or supervision directly related to sexual assault. Other exceptions to the requirement may be considered; determinations will be made based in part on the hardship and whether the Provider's service numbers meet or exceed the average of those for programs serving similar sized populations.
 - 7) The Provider shall assign at least twenty-five percent (25 percent) FTE to any TF- or GR-funded position to provide sexual assault victim services and/or related activities during the subcontract period.
 - 8) Direct service staff funded in part or in full through the Council must have one hundred (100) percent of their time designated to sexual assault service provision, regardless of funding source. The Council may approve sexual assault program positions to be funded at seventy-five (75) percent FTE; determinations will be made based in part on hardship and if service numbers meet or exceed the average of those programs serving similar sized populations. Exceptions to the requirement include on-call advocates and helpline staff. The focus of personnel funding should be devoted to providing sexual assault services.

- 9) If operating a sexual assault-only helpline (a helpline that is exclusively advertised and operated for sexual assault assistance), associated costs are allowable.
- 10) If operating a multi-service helpline where twenty-five (25) percent or fewer of the calls are specific to sexual assault:
 - a) Non-personnel expenses (e.g., equipment, phone line) may be covered equal to the percentage of sexual assault calls received, averaged from previous July 1 through June 30 period.
 - b) The only helpline personnel costs that may be covered by funds under this subcontract are those associated with sexual assault training time (Advocacy Core Training plus eight (8) hours of annual ongoing training).
- b. Professional Qualifications. The Provider will be responsible for the staff affiliated with this subcontract, ensuring that they have the education, any professional licensure or certification which may be required by law and/or the Council, and experience necessary to successfully carry out their duties.
- c. Subcontractors. The Provider may, **only with prior written approval** of the Council, enter into written subcontracts for performance under this subcontract. No subcontract agreement that the Provider enters into with respect to performance under this subcontract shall in any way relieve the Provider of any responsibility for performance of its subcontract responsibilities with the Council. Any subcontract issued by the Provider must align with subcontract requirements identified herein.

3. Service Location and Equipment.

- a. Service Delivery Locations. The Provider shall provide services from its established Florida-based office(s) or other off-site location(s) approved by the Council.
- b. Service location(s) must be accessible to persons with disabilities and ADA (Americans with Disabilities Act) compliant. The Provider shall, within its ability, make reasonable accommodations and modifications to its facility in order to provide accessible services to persons with disabilities. Examples of such accommodations/modifications are: 1) designated parking, 2) ramp access to building, 3) alternative formats available for documents, 4) accessible restroom facilities, 5) doors and doorways are accessible and 6) a sign language interpreter, if available. Physical modifications considered as construction or renovation may not be funded under this subcontract.
- c. The Provider's physical environment must provide for the comfort and dignity of its clients. The Provider shall maintain offices conducive to service provision in a private, confidential manner.
- d. Service Times. The Provider's office will be staffed at a minimum from 9:00 a.m. to 5:00 p.m., Monday through Friday, excluding state-sanctioned holidays.

4. Deliverables.

- a. Deliverables. See Attachment I, Section C.1.a.
- b. Reports. The mere receipt of reports by the Council shall not be construed to mean or imply approval. Although submitted by the due date, incomplete reports will not be considered received. If not rectified by the due date, late penalties will be applied. The Council reserves the right to reject reports as incomplete, inadequate, or unacceptable. The Council, at its option, may allow additional time within which the Provider may remedy the objections noted or, after having given the Provider a reasonable opportunity to cure and the Provider fails to cure, the Council may terminate the

subcontract in the absence of extenuating or mitigating circumstances. Payment may be withheld by the Council until required reports have been submitted and/or corrected. See Attachment I, Section E. for additional submission requirements. Deliverable deadlines may be extended upon written request of and approval by the Council contract manager. Reports shall be uploaded to the web version of Track-It! document management system unless otherwise advised. The Provider shall timely submit the following reports to the Council:

- 1) Monthly Sexual Violence Data Registry (SVDR) Data.
 - a) The Provider shall document all primary and secondary sexual assault victims served and the services provided with funds from this subcontract in the SVDR, by the 10th of the month following the month in which services were provided. If that day falls on a weekend or holiday, the data must be entered by the last business day previous to the 10th.
 - b) All helpline calls shall be entered as aggregate counts for each of the following: 1) number of primary victim calls, 2) number of secondary victim calls, and 3) number of all other calls. Helpline calls are not distinguished by funding source.
 - c) If no services were provided in any given month, the Provider shall submit an explanation to the contract manager by the 10th of the month following the month in which services were to be provided (or at the time the SVDR data is entered; whichever comes first).
- 2) Quarterly Expenditure Report (QER). The Provider shall submit a completed QER form, incorporated herein by reference, to the Council contract manager to verify that funds are: 1) spent on allowable costs, 2) limited to no more than fifteen (15) percent in administrative expenses, and 3) used to enhance the provision of services and increase the number of victims served. The report shall be due by the 15th day of the month following the quarter in which services were provided, summarizing all expenditures. This report, to be completed in accordance with instructions provided by the Council, shall identify expenditures made with subcontract funds only.
 - a) At the time of each QER submission, the Provider shall also provide the unredacted minutes of any Board of Directors meetings held during the previous quarter.
- 3) Outreach Activity Report. The Provider shall complete the Outreach Activity Report form, incorporated herein by reference to report on a minimum of two (2) sexual violence-specific outreach activities per county per quarter.
- 4) SANE Pilot Data Collection Survey. The Provider shall complete the SANE Pilot Data Collection Survey, incorporated herein by reference, on Survey Monkey at the end of every six (6) month period; to provide data on all survivors provided SANE medical forensic exams and medical forensic exam advocacy and accompaniment services. For the period July 1 through December 31, the survey shall be completed by January 10 of each year. For the period January 1 through June 30, the survey shall be completed by July 10 of each year.
- 5) Projected Contract Expense Report. Beginning in January of the contract year, the Provider shall submit monthly a completed Projected Contract Expense Report form, incorporated herein by reference, to the Contract Manager. The report shall be due by the 15th day of the month following the month in which the most recent expenses were incurred. The first report shall be due on February 15th to include expenses incurred through January of the contract year. This report, to be completed in accordance with instructions provided by the Council, shall identify expenditures made with subcontract funds only.
- 6) Annual Financial Report. The Provider shall submit a completed Annual Financial Report form, incorporated herein by reference, to the Council contract manager by July 15. The report shall

identify total expenditures, specific to this and only this subcontract, for the preceding subcontract year. Any remaining funds will be deducted from the final invoice payment. The Provider will be contacted by the contract manager if that deduction is insufficient to cover the remaining funds total. The balance must be remitted to the Council by July 30.

- 7) Other Reports. The Provider shall furnish such other reports and information that the Council may require within the time requested.

c. Records and Documentation.

- 1) The Provider agrees to maintain the confidentiality of all records required by law or administrative rule to be protected from disclosure. The Provider further agrees to hold the Council harmless from any claim or damage including reasonable attorney's fees and costs or from any fine or penalty imposed as a result of an improper disclosure by the Provider of confidential records, and promises to defend the Council against the same at its expense.
- 2) The Provider shall, at its own cost, provide notice to affected parties no later than forty-five (45) days following the determination of any potential breach of personal or confidential data in accordance with s. 817.5681, F.S. 5. Performance Specifications.

a. Monitoring and Evaluation Methodology.

- 1) By execution of this subcontract the Provider hereby acknowledges and agrees that its performance under the subcontract shall meet the standards and be bound by the conditions set forth herein. If the Provider fails to meet these standards, the Council, at its exclusive option, may allow up to six (6) months for the Provider to remedy deficiencies identified by the Council or its agent. If the Council affords the Provider an opportunity to achieve compliance, and the Provider fails to achieve compliance within the specified time frame, the Council will terminate the subcontract in the absence of any extenuating or mitigating circumstances. The determination of extenuating or mitigating circumstances is the exclusive right of the Council.
- 2) The Provider shall comply with the requirements of the Council's Standard Subcontract, Section I.E., with reference to monitoring by the Council. The Provider agrees to fully cooperate with the Council in the conduct of both performance and financial audits. The Provider will be evaluated through onsite monitoring visits and desk reviews of reports and invoices. This component is intended to be in addition to other audit requirements found in other documents incorporated by reference in this subcontract and is not to be construed as a limitation upon them. The Provider agrees to include these audit and record keeping requirements in all approved subcontracts and assignments that result from this subcontract.
